

Summer Play-Care Schedule

Every day, children:

- play inside and outside the classroom
- make friends
- dance
- sing songs
- read and listen to stories
- eat healthy snacks
- nap/rest
- care for themselves and the environment
- learn skills
- and do so much more

Have weekly classes that focus on:

Week 1 – Welcome/Learning Routine

Children are welcomed with activities that make them comfortable in the Montessori classroom. Free play, short lessons, and Circle Time to get children acquainted and slowly ease into the routine, while learning classroom rules and manners.

Week 2 – Color Explore

Summer will be splashed with rainbow colors. This week focuses on art activities that uses all kinds of child-safe and environment-friendly media. A week of discovery of the *artiste enfant* in your little ones.

Week 3 – Science It!

Cardboards converted to mega blocks, getting giddy with critters in our plant box, or Sensorial lessons; we will Science it!

Week 4 – Nutri Week

It's a week full of everything yummy! Fresh, organic produce of California will be prepared and cooked by children. They will learn about nutrition, how plants grow, and what food does to our body. This week will make picky-eaters crave for more!

Week 5 – I Like to Move It, Move It

Dance, shake, jump, run. Move as much as you can! Whether gymnastics, calisthenics, or yoga, it's a week full of movement.

Week 6 – Games & Toys for Girls & Boys

Game time! This week is full of fun games of the world. Children play toys for stacking, constructing and deconstructing, building and toppling, moving and rolling, and pretend-playing.

Week 7 – Get Crazy Creative with Crafts

Beads, buttons, glue, glitters, or crayons - these are a few of our favorite things. Our crafts week will bring your child's artistic creativity to another level.

Week 8 – Wrap-up

On wrap-up week, children will present their work to family and friends. A gallery-walk to show their masterpieces will be the highlight of our Summer Play-Care commencement.

2019 Summer Play-Care

It rains, it shines in San Francisco! But our vacation play-care at Little Canaan Montessori Preschool is weather-proofed so your child can enjoy, learn, and have fun during summer whatever is the weather.

Preschool

Themed Week

Our Summer Play-Care is vacation care that is fun made for little hands. Each week is themed and full of activities and lessons that are age-appropriate to support your child's growth and development. Children will learn and have so much fun through:

- indoor & outdoor play
- dance class
- calisthenics & gymnastics
- music class
- yoga class
- language class
- gardening
- fun discovery with science

Our Own Resources

Little Canaan family loves to eat! What could be better than indulging in summer flavors? Let your child enjoy and learn about plant life, nutrition, and food preparation. where they will use only California's organic produce.

Free Play, Free Expression

It's vacation and we want your children to feel just that. This means freedom (within limits) when they choose their own activity that piqued their interest whether it be a toy, or arts and crafts activity.

Our summer program will let your child explore, be imaginative, and enjoy the process of each activity. It's eight weeks full of free play and free expression.

“Free the child’s potential, and you will transform him into the world.”

Maria Montessori

Preparatory Program

Getting ready for Montessori or traditional education? Our Summer Play-Care is great for preparing your child for the regular school year.

With our home-setting environment, use of Montessori method, and guidance of our credentialed and trained teachers, your child will learn the school routine, establish good working habits, and become familiar with the classroom environment.

They will learn to be independent, build relationships and get used to their teachers and other children. All this, and the learned skills to cope with their emotions, will help your child transition to a regular school program with much ease and confidence.
