About Mississippi Trackstars

The Mississippi Trackstars was founded in 2006 in Jackson, Mississippi by 3 former Jackson State University Track and Field Athletes, Jonathan "Country" Harris, Terry Estwick, and Cori Cloyd. Throughout the years, growth, and success of the program the founding principles has remained steady which is to help provide exposure, prepare and mentor young men and women through their adolescent journey and beyond.

Practices

Our practices are outlined in this package. We expect all athletes to attend practice. Missing practice means a missed opportunity to learn and improve. For rules concerning missed practices, please refer to the Parent Code of Conduct (see page 17). Practice will be held rain or shine. If there is inclement or hazardous weather practice may be cancelled. Please make sure that you provide ample fluids preferably water before and during practice and Gatorade-PowerAde after for practices.

Team Constitution and Bylaws

Coaches

Coaches have a range of experience and training in the event specialties. This diverse mix of knowledge provides a great learning opportunity for your child. Parents unless you are asked by an event specialty coach – please leave your coaching cap at home and enjoy your time in the stands. Hovering around or over your child during practice (unless you are asked to volunteer) is not an accepted practice in our program. Take the two hours of practice and enjoy a relaxed walk / run, read a book, and chat with your fellow parents. Please leave the coaching to the coaches.

Meets and Travel

Our meet schedule is designed to test the athlete's training progress through the summer. Qualifying to the Nationals is no small task. It is the parent's responsible for transportation and accommodations to and from track meets. For athletes who do not have their own transportation to and from meets, there will be an additional cost of \$20.00 per away trip and \$10 per local trip. If failure to pay transportation fee prior to the deadline, child will not be able to travel.

Snacks and athlete beverages are for ATHLETES during the track meets that will be purchased and adequately stored at the beginning of the season with funds submitted. Perishable items will be purchased weekly. Parents and athletes are free to bring their own personal coolers with their own items if desired. However, this will not change the cost per athlete.

Costs

Costs are detailed in the attached package.

Uniforms

All team members are required to compete in our team uniforms.

Community Service

Our young athletes are expected to give back to their community. We are looking forward to increasing our influence on the community through our service. Athletes participation in community service will better boost our athlete's character in charity work. Our leadership is not only interested in producing quality young athletes on the track, but, producing well rounded citizens off the track as well. Our team looks to participated in food-can drives, gift giving at area nursing homes, community clean ups and adopting a local Jackson family for Thanksgiving and Christmas.

MEET RESPONSIBILITIES and RULES

To ensure the Mississippi Trackstars Athlete's optimum performance at track meets, the Mississippi Trackstars Track and Field athletes and parents have certain responsibilities and rules to follow.

Mississippi Trackstars Coaches will determine which events the athlete will participate in for each meet. The parent may discuss this with the coaches prior to entry.

Meet information will be provided prior to each meet. This information will be distributed via paper form, text messages, e-mail, and our website (www.mstrackstars.org). Although the Mississippi Trackstars coaches will provide meet information the parents and athletes are responsible for knowing the athlete's meet events and times.

If an athlete will not be competing at a meet, this must be communicated to the coaches **as early as possible**.

The team will have a designated area for the Mississippi Trackstars athletes to stay during the meet. All athletes must sit together in this area. ***ALL ATHLETES WILL HAVE TO CHECK IN AND OUT WITH THE MEET COORDINATOR.***

Meet Coordinators

Meet Coordinators will be assigned to each meet. Each member of Mississippi Trackstars will serve as meet coordinator based on a rotation schedule. This role has been established to designate an area for the athletes and to coordinate with athletes, parents and coaches. Their role is to increase parental accountability, reduce event check-in confusion and reduce coaching distractions.

1. The Meet Coordinators will, upon arrival establish an area for the athletes. This location will if possible be convenient to the coaches, check in area, away from high traffic areas, and located in the coolest possible location at the site. The Meet Coordinator will receive either the night prior to the meet or the morning of the meet the athlete event roster.
2. Parents should present their children to the Meet Coordinator upon arrival at the meet location to be marked present. Parents are responsible for making sure the athletes are marked present. Parents or Athletes that are old enough are responsible for reporting to the Meet Coordinator's area no less than 45 minutes prior to their event scheduled time.
3. Coaches will look for athletes in the Meet Area as events approach and may request assistance from the Meet Coordinator in locating athletes. It is not the Meet Coordinator's job to hunt down athletes.
4. Parents and Athletes are still responsible for listening for the call of their events and knowing what their events are for a particular meet. Also they are responsible for being prepared and warming up properly. Any athlete that cannot be found for a relay event will be replaced by an alternate in that event and may be subject to permanent removal from the relay roster.
