

“The mission of Mississippi Trackstars is to provide mentorship, team building, discipline, and self-confidence by fostering a safe and fun environment to develop skills on the track and field to guide the Trackstars through the race of life.”

**Dear Potential Donor ,**

Mississippi Trackstars is a 501(c)(3) Track and Field Club founded in 2006 in Jackson, MS by 3 former Jackson State University Track and Field athletes, Johnathan Harris, Terry Estwick, and Cori Cloyd. The Mississippi Trackstars organization’s focus is to provide urban, intercity youth, aged 6-18, with the opportunity to have experiences outside of everyday life while providing them with exposure to obtain possible college scholarship opportunities through track and field. The initial class of Trackstars consisted of 12 kids and under Coach Harris’ tenure, grew to 96 kids in 2016. In 2018, Mississippi Trackstars had 13 athletes compete in the USA Track and Field Junior Olympic Championship in Greensboro, NC. Today, the Mississippi Trackstars organization serves an average of 65-85 kids every track season from May through August.

Throughout the years, the founding principles of the Mississippi Trackstars organization have remained steady and led to much growth and success. As a result, the need for additional funding for athlete fees, uniforms, equipment, competition entry fees, travel, and lodging has greatly increased.

We ask that you consider supporting our cause by becoming a donor and contributing to our \$25,000.00 fundraising goal for the upcoming track season. Sponsorship packages are available for various levels including Diamond, Platinum, Gold, Silver, and Bronze. These packages will provide you or your company with a variety of perks that can be found attached. Our success relies on generous donors like you!

Your consideration is much appreciated! If you have any questions or concerns, feel free to contact me directly at (337) 371-9024 or via email at [mstrackstars@gmail.com](mailto:mstrackstars@gmail.com).

Kindest Regards,
