BENEFIT & GENERAL EXCLUSIONS

Gap Cover works with your medical aid cover.

Gap Cover includes various benefits covering medical expense shortfalls for just about every medical eventuality.

Depending on the benefit's qualifying criteria, your medical aid must first pay a portion of the cost of a medical event before we step in and take care of the rest. However, not every medical event will qualify for benefits as policies are subject to benefit and general exclusions.

BENEFIT EXCLUSIONS

Your Gap Cover policy offers many benefits, each with specific qualifying criteria.

For more information about what you can and can't claim, go to www.stratumbenefits.co.za/benefit-exclusions/ or scan the QR code.
