OPTIMA SUMMARY OF COVER 2026

Why Kaelo Gap Cover?

Gap Cover is additional protection against shortfalls to complement your Medical Scheme cover. Shortfalls occur when your healthcare provider charges higher rates than what your Medical Scheme will pay. These shortfalls expose you to out-of-pocket expenses that could lead to exorbitant debts. Your Gap Cover shields you from the potential burden of overwhelming debts.

Understanding the Waiting Periods

Waiting Periods

The waiting periods for Kaelo Gap are as follows:

- 3 - Month General Waiting Period
- 12 - Month Condition-Specific Waiting Period

What are the waiting periods for Employer Groups joining Kaelo Gap?

- Waiting periods are determined at take on - waiting periods will either be applied; waived or reduced.
- Policyholders who join Kaelo Gap on a voluntary basis through their employer group will receive full waiting periods.
- Compulsory groups will have all waiting periods waived.

What is offered in terms of waiting period concessions?

- We will waive the 3-month General Waiting Period.
- 12-month condition-specific exclusions will still apply.
- Waiting period concessions are negotiated with Kaelo by your broker.

Your broker will advise you when a concession period has been opened. Concessions are only applicable to employer groups.

Moving from another Gap provider?

You can easily move from your previous Gap cover to Kaelo Gap. In order to ensure that the waiting periods are applied fairly and in line with the below, we suggest that you do not allow for a break in your cover.

If there is no break in cover, then the unexpired portion of the waiting periods from the previous policy will be applied to your Kaelo Gap Policy when you move over and if you already completed your waiting periods on your previous Gap cover, no waiting periods will apply on Kaelo Gap.
