

PROFMED

PREVENTATIVE CARE

BENEFITS 2026

At Profmed, your health is our priority. That's why we offer a Preventative Care Benefit, designed to help detect high-risk conditions early on, giving you the best chance for a positive outcome. By detecting potential health issues early, we can reduce complications and improve your overall wellbeing.

This benefit covers specific tests and screenings, such as pathology, radiology, and vaccinations, ensuring you have access to essential preventative care. For your peace of mind, all necessary diagnostic procedures and tests will be taken care of according to the risk benefit guidelines, helping you stay on top of your health with ease and confidence.
