Impactful Space

Industry and Innovators can utilise the space to work from, meet and go over ideas, problems or solutions.

You never know who you're going to meet.

It's a space where the impact can be small, or life changingly BIG.

Connections

The team at PropTech Hub WA are making face to face, and e-introductions between industry and innovators on a daily basis.

Industry can connect with other industry as well as innovators can connect with other innovators.

You tell us who you want to get to know, and we make it happen.

PAST EVENTS

Learn & Lunch with Debbie Millard:

Deb worked at KPMG for 10 years, followed by JWH Group for 15 years and now coaching at DHM. Sharing her passion and helping businesses build confidence, and designing financial management strategies.

Deb conducted the financial literacy workshop. Members walked away from the morning workshop with a much better understanding of:

- ✓ Some of the jargon- what terms like equity, assets and liabilities actually mean in plain english
- ✓ Why the balance sheet balances
- ✓ The relationship between the balance sheet and profit and loss account; and
- ✓ How value is generated in the business

This was a trial learn and lunch and its success has inspired such events to occur on a monthly basis for our members to take advantage of.

FUTURE EVENTS

West Tech Fest (WTF) Speed Networking & PropTech Show Down:

Presenters include Phaeton, TecStack, Openn, Mapizy, Realty Assist, Archistar, TMod & Derive.
