OUR MISSION

The Brain Injury Association of New Hampshire's mission is to create a better future through brain injury prevention, education, advocacy and support.

DID YOU KNOW....

Brain injury is the leading cause of disability and death in children and adolescents in the U.S. According to the Centers for Disease Control and Prevention, the two age groups at greatest risk for brain injury are age 0-4 and 15-19.

PREVENTION IS THE ONLY CURE!

HOW YOU CAN HELP!

Come join our Walk by the Sea along Hampton Beach. It is the one time during the year when the whole brain injury community comes together to celebrate our accomplishments and share a fun day at the shore. This annual event helps us to continue our efforts to create more public awareness about the "silent epidemic" and ultimately fulfill our mission.

If you are unable to attend, you may show your support by pledging to a friend or sending a donation to BIANH.

**100% OF YOUR PLEDGE DOLLARS
SUPPORTS THE WORK OF THE BIANH.**

*Please help us walk, run, roll or
bike our way to success!*

FORMING A TEAM

Organizing a team is an easy and fun way to participate. Your team can be as few as 3 and can include family, friends, neighbors and co-workers. Share your fundraising information on social media!

PARTICIPANTS/FAMILIES: The first 5 participants (not including children 0 -15 y/o) shall register at \$25.00/person. Thereafter, 6 or more participants may register free, and donations are encouraged.

PROVIDERS/BUSINESSES: Each team must raise a minimum of \$300. After the Provider/Business Team Captain registers the team and has paid the \$300 registration, all members of that team may register free of charge and donations are encouraged.

Be creative! There are prizes for the team that shows the most team spirit, has the most original name, the most walkers, and for raising the most money.

Prizes will be awarded only to pre-registered teams and will be based upon only money collected and turned in by the day of the walk.
