OUR MISSION

The Brain Injury Association of New Hampshire's mission is to create a better future through brain injury prevention, education, advocacy, and support. Prevention is the only cure.

HOW YOU CAN HELP?

Come join our **Virtual** Walk. It is the one time during the year when the whole brain injury community can celebrate its accomplishments and we invite you to be a part of it!

Participating virtually gives you the opportunity to "create" your own event. Anytime beginning Sunday, June 6 through Saturday, June 12, 2021 you can take a hike, walk, run, or stroll **virtually** anywhere at anytime! Participants will be able to download their pictures and videos on our Facebook page to share with everyone all week long.

FORMING A TEAM

Start your team now. It only takes two or more participants. You can encourage each other, strategize about fundraising, and make a difference! Each team member is responsible for reaching their fundraising goal. Family teams will have a cumulative fundraising goal. You can quickly and easily create your own fundraising page that can be shared on all of your social media.

Call the office for your team packet - 603-225-8400

MORE CATEGORIES FOR PRIZES

Be creative, there is a team prize for the most original name, the largest number of participants, the most money raised and turned in by June 12, the most team spirit video, the best team page, the team that brings in a new sponsor, and the person who has the oldest walk t-shirt!

FUNDRAISING INCENTIVES

Each person who raises the following amount of money will be eligible to receive one of the following:

- \$100 t-shirt
- \$250 ball cap
- \$750 hooded sweatshirt
- \$1500 windbreaker
