Ms. Tiawana Deling Brown  
8924 Inverness Bay Road  
Charlotte, NC 28278

Dear Ms. Brown,

Thank you for taking time out of your busy schedule to meet with members of the Charlotte-Metrolina Labor Council.

We are pleased to inform you that the Charlotte-Metrolina Labor Council has endorsed your candidacy for Charlotte City Council District 3.

We will inform our members of this endorsement and work hard to turn them out on your behalf on Primary Election Day and, should you be successful, again during the General Election.

We will publicize all endorsements on the NC State AFL-CIO website and email communications. Please feel free to share our decision with the media and in your campaign materials. We are attaching the logo for the NC State AFL-CIO and, as you agreed in your endorsement questionnaire, we expect you to use a union print shop for printing materials for your campaign. The two that are available in North Carolina are Barefoot Press (<https://barefootpress.com/>) and Consolidated Press (<https://www.consolidatedpress.net/>). We are also attaching further materials for you to continue learning about issues important to North Carolina workers.

Sincerely,

Ashley Hawkins, President  
Anthony Towner, Political Chair  
Charlotte-Metrolina Labor Council
