SIGNS TO BE PULLED

Date: _____

Club: _____

Trial: _____

For this course, we will need: Sign Holders: 20 (4 unmarked) Jumps: Bar Cones: 4

- START #1 AND FINISH #2 Are not numbered, nor are Call or Directional Arrow signs.
- Place signs to the right of the path except for turns and side steps which are placed in the path of the team.
- Signs to be reused in a new location are asterisked.
- Pull signs horizontally rather than vertically, and place all those related to each station in the appropriate sign holders. This technique makes changing levels more efficient.

Note: This course has a slight course change in Master to Excellent and from
