Change of Entry

As described in Chapter 1, Section 21 of the Regulations for Agility Trials, a dog which is entered in a Novice A class for which it is not eligible may be moved to Novice B. In addition, if notification had been received in writing from the AKC after closing that a dog is not eligible for a class entered, the dog may be moved to the correct class. The request for the move must be made at least 30 minutes prior to the start of the trial.

"After Closing" Waiting List

A waiting list (50 run maximum each day) will be maintained for these trials once they have closed on Friday, April 17th, 2026. The waiting list will be active until its deadline – Monday, May 11th 2026 at 6:00 pm CT. Any runs that are entered in these trials at closing and pulled before the waiting list deadline will be replaced, if possible, by runs in order on the waiting list, and the exhibitor will be reimbursed in full. **If a run is pulled but cannot be replaced, the exhibitor will not receive a refund and the dog will be considered absent for the runs.** Entry fees for dogs on the waiting list that do not get into the trial by the waiting list closing date will be refunded in full.

Obstacles

Obstacles will conform to the requirements in the current edition of the AKC Regulations for Agility Trials. All contacts are rubberized.

Class Description

Please see the AKC Regulations for Agility Trials for current class descriptions.

Dogs Eligible to Enter

All dogs fifteen (15) months of age or older that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP) are eligible to participate, except bitches in season, aggressive dogs, or dogs suffering from any deformity, injury, or illness which may affect the dog's physical or mental performance. Refer to Chapter 2 of the Registration and Discipline Rules for the listing of registerable breeds that may participate.

Course Familiarization/Obstacles

Handlers are permitted to walk the course, without a dog, prior to the start of the class. A walk-through period will be held prior to each class. The walk-through may be split at the judge's discretion. The judge's briefing will outline the course and answer handler questions. Obstacles will meet the specifications for obstacles in the current edition of the regulations for Agility Trials.

There will be no contact familiarization for Novice dogs at any of these trials.

Height Divisions

Owners are responsible for entering their dogs in the proper height divisions. Judge reserves the right to measure dogs entered in the trial. Handlers may opt to run in a higher height division in the Regular program, but not in a lower division than their proper height division. Handlers must run in their proper height division in the Preferred program. Height divisions are as follows:

Dogs Measuring At the withers	Regular May enter in a higher jump height than required but not in a lower jump height	Preferred MUST enter the AKC mandated jump height
11" & under at withers	8 inches	4 inches
14" & under at withers	12 inches	8 inches
18" & under at withers	16 inches	12 inches
22" & under at withers	20 inches	16 inches
over 22" at withers	24 inches	20 inches
at owner's discretion	24C inches	---

AKC Jump Height Cards

All dogs competing in agility must **possess** an official AKC Jump Height Card. An official AKC Jump Height Card is defined as either a permanent jump height card, a valid temporary jump height form, copies of two different measuring forms (placing the dog in the same height class) dated on or after the dog's second birthday, or copies of three different measuring forms (two of which place the dog in the same height class) on or after the dog's second birthday. All dogs except those jumping 24" or 26" without jump height cards/forms must be measured/wicketed by the Judge of Record PRIOR to running in their class; this measurement will be valid for the weekend of trials only. If a Volunteer Measuring Official or an Agility Field Rep is present, all dogs without a valid jump height card/form must be measured at some time during the trial. If the dog cannot be measured by the VMO prior to running, it must be measured by the judge before its first run. **You are not required to show your height card or send a copy with your entry. You are required to mark on your entry form if your dog needs to be measured.** For more information please visit: http://www.akc.org/events/agility/jump_height_card.cfm

Notice to Exhibitors

Email, telephone, fax, and unsigned entries or entries without fees cannot be accepted.

Entries not on Official AKC Agility Entry without the Agreement and Rules attached to the Official AKC Entry will NOT be accepted.

Express Mail Entries must include signature permitting them to be left at the Secretary's address without recipient's signature.

Returned or postdated checks do not constitute a valid entry fee.

There will be a \$30 service charge for each returned check.

No entry shall be made and no entry shall be accepted which specifies any condition as to its acceptance.

Owners are responsible for errors in making out entry forms correctly and no entry fees will be refunded in the event of such errors or cancellations of entries after the published closing date.

Miniature American Shepherd Club of the United States of America (MASCUSA) may decline any entries and may remove any dog on account of disease, viciousness, or other cause and no one shall have any claim against MASCUSA or any official thereof.

MASCUSA will not be responsible for any lost or damaged items left at the show.

The safety of the dog is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are familiar with and able to perform all obstacles safely.

Puppies under the age of 4 months are strictly prohibited from the premises.

Unentered dogs and bitches in season will not be permitted on the premises.

Entry fee will not be refunded in the event that the dog is absent, disqualified, excused, or barred from competition by action of judge or show committee.

Bitches in season will not be admitted to the Trial. Entry fee (minus \$15) will be refunded for bitches in heat. Notification must be received 24 hours before the start of judging.

Canadian Exhibitors must make fees payable in US funds. MASCUSA assumes no responsibility for cash sent through the mail.

Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior may, at the discretion of the Show Committee, be asked to leave the show site. In such case, no refund of any entry fees paid will be made.

No entry fee will be refunded if the trial cannot open or be completed by reason of civil disturbances, fire, an act of God, public emergency, act of a public enemy, or any other cause beyond the control of the organizing committee.

All dogs must be on leash at all times except when in the ring or when in the designated agility warmup area.

Obstacles will conform to the requirements in the current edition of the AKC Regulations for Agility Trials.

Please clean up after your dog. Receptacles will be provided.

Overpayments of fees less than \$10 will be considered a donation to the club and will not be returned.

Exhibitors should follow their veterinarian's recommendation to assure their dogs are free of internal and external parasites, any communicable diseases, and have appropriate vaccinations.

Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend

Multiple Jump Heights Within the Same Trial Day

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. Any mixture of Regular and Preferred classes is allowed. Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers With Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24C-inch Premier STD/JWW on the same trial day.

A **separate entry form must be submitted** when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle and then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

For Exhibition Only (FEO)

For Exhibition Only will Not be offered at this trial.

Motel & RV Information

All exhibitors must be responsible for cleaning up after their dogs on the motel, RV and trial grounds. Motels require that dogs be crated when unattended. Any damages to motels, RV sites or the trial site can result in disciplinary action by the Event Committee. It is expected that exhibitors will clean up immediately after their own dogs and strongly encourage others to do the same.

All owners/exhibitors should be aware that the entire motel grounds and RV sites are considered within the trial grounds. You will be responsible for all damage to your room/site and may be subject to disciplinary action in accordance with the rules of the AKC. Any abuse of the grounds will be brought to the attention of the trial-giving club and its Event Committee. Any exhibitor's entries may be refused for previous misuse of the motel or RV facilities. This is an AKC supported measure.
