Exhibitor General Info:

If this is your first time at the Purina Event Center, the below info may help you plan:

15 minute parking is marked along the curb at both the front and rear entrances, and this works well for quick loading/unloading. Do not park in the RV area during setup or trial; this is strictly enforced as it is paid/reserved for RV guests and their vehicle IDs have been registered.

The Purina cafe will be open for breakfast and lunch, until about 3pm each day. They have a good assortment of hot and cold breakfast, lunch, snack options, including entrees, finger foods, fresh salads, yogurts, sweets and cold treats, plus coffee, tea, and fountain drinks. They accept cash and credit cards.

The observation area on the second floor can be reached by stairs or elevator. No dogs are allowed upstairs, and children require supervision. There are restrooms, a large carpeted space with windows overlooking both rings, and an open air balcony above Ring 1 which is excellent for viewing and aerial videos.

Please honor the signs marking the few grassy areas which should not be used for dog elimination. Please clean up after your dog; there are many waste stations equipped with pickup bags across the campus. If your dog needs to burn off excess energy, there are 2 large fenced yards just East of the Event Center, and more fenced enclosures near the Visitor Station.

Please familiarize yourself with the Purina Farms Guest Rules – posted at www.mickys-secretary-service.com – click on 'related trial documents' tab under GSLSSC March 2026 or ASSA March 2026
