American Shetland Sheepdog Association Best All Around Sheltie Competition Rules

- *To be eligible for this award, dogs must compete in at least **FOUR OF FIVE** events
- *One bonus point is awarded to dogs that compete in all five events
- *The dog with the highest cumulative score will be awarded as the Best All Around Sheltie
- ***NEW FOR 2023: Runner-Up Best All Around Sheltie will be awarded to the dog receiving the second highest cumulative score**

- ***Advance registration is required.**
REGISTER USING THE ONLINE SUBMISSION FORM ON THE ASSA NATIONAL WEBSITE.
<http://www.assanational.com>

- *Dogs receiving qualifying scores in performance events will be awarded 2, 3, or 4 points as appropriate for their class, but do not receive the participation point as well. The participation point in performance events is awarded if the dog competes but does not qualify in the event.
- *Dogs competing in multiple classes at the same event (for example, Standard & JWW agility, Master & Premier agility, Open & Utility obedience) will be awarded points for the highest-level class in which they receive a qualifying score. Dogs will not receive points for qualifying in more than one class in any event.
- ***NEW FOR 2023: A qualifying Premier agility score is eligible for 4 points.**

- *Dogs that make a cut or earn placements and awards in breed competition will be awarded 2, 3, or 4 points as applicable, but do not receive the participation point as well. Dogs who make multiple cuts in a class will receive the same two points as dogs that make one cut.
- *Dogs excused from the breed ring will still be awarded a point for participation. Dogs disqualified from the breed ring will not be awarded a point for participation.

- *Preferred agility classes are scored equally to the corresponding regular agility class.
- *Non-regular obedience classes are scored as the regular class with similar or next lower difficulty level. For example, a Veterans obedience qualifying score is worth two points because Novice exercises are used. A Beginner Novice qualifying score is worth only one point for participation because exercises are less difficult than Novice. A Graduate Novice qualifying score is worth two points because it is similar to Novice and less difficult than Open. A Graduate Open qualifying score is worth three points.

- *Herding Instinct evaluation and Farm Dog certificate are not included in this competition and will not be awarded points.
- *Partial points will not be awarded.
- *In the event of a tie, event scores will be used to break the tie. The dog with the highest total score will receive the award. HT & PT qualifiers do not receive a numerical score, so a score of zero will be used in calculating their total score.
- *The official catalog markings from the judges’ books for each event will be used to determine eligibility, participation, placements, and official scores.

Entries not on official AKC herding entry forms or photocopies of the official AKC herding entry form without the agreement and rules on the reverse side of the official AKC herding entry form cannot be accepted. If it is impossible to open or to complete the show, no refund of entry fees will be made. Entries will not be accepted without entry fees. Returned checks do not constitute a valid entry fee. The Trial Secretary will add a \$25.00 collection fee to the amount of each returned check from the same exhibitor and may result in the exhibitor's entries being accepted on a cash only basis.

The American Shetland Sheepdog Association assumes no responsibility for any loss, damage or injury sustained by exhibitors, handlers, spectators or to any of their dogs or property, and further assumes no responsibility for injury to any child not under the control of his or her parents or guardians.

Exhibitors are responsible for keeping their dogs on leash (except when in the arena or stock dogs when working) and under control at all times. Exhibitors **MUST** clean up after their dogs. We would like to be able to use this facility for future test/trials.

Class Changes Effective January 1, 2020

**Entering a Mixture of Regular and Preferred Classes Within the Same Trial Weekend –
Multiple Jump Heights Within the Same Trial Day**

Effective January 1, 2020, exhibitors may enter a mixture of both Regular and Preferred classes on the same trial day and/or during a trial weekend. For example, the same dog may now be entered in Regular FAST and/or T2B to finish up those titles while also entered in Preferred Master STD/JWW to start working towards their PACH at the lower height. Any mixture of Regular and Preferred classes is allowed.

Please note that if a dog qualifies in Regular Master Standard and Preferred Master JWW (or vice versa) on the same trial day, then NO Double Q shall be earned toward either the MACH or PACH title. The Double Q still requires that Standard Agility and Jumpers with Weaves be either both Regular OR both Preferred on the same trial day.

Additionally, within the same Regular or Preferred classes, a dog may now be entered in multiple jump heights within the same trial day. For example, the same dog may now be entered in 20-inch Master STD/JWW while also entered in 24-inch Premier STD/JWW on the same trial day.

A separate entry form must be submitted when the same dog is being entered in a mixture of Regular and Preferred and/or different jump heights within the same trial weekend thereby clearly indicating which class(es) and/or jump heights belong together for each trial day of the weekend.

When calculating entry fees, treat multiple entry forms for the same dog as if only one form had been filled out. In other words, the 1st run entry fee is only paid once per day, per dog, even if that dog's runs have been submitted on multiple entry forms.

Fix and Go On (FNG)

As of January 1, 2020, Fix and Go On will be offered on a one-year pilot basis in order to give AKC time to evaluate its impact. FNG allows exhibitors to immediately reattempt an obstacle at any time while on course when the dog's performance of an obstacle is not to their expectation. This allows the dog to successfully complete the obstacle then finish the course or leave the ring on a positive note. Using FNG will result in a non-qualifying score.

Fix and Go On is not pre-entered; rather, it occurs during the course of the run.

Notice to Agility Exhibitors

- The safety of dogs is our primary concern. By entering this trial, exhibitors acknowledge that they are familiar with the rules and regulations of this sport, and that their dogs are able to perform all obstacles safely. Ring size will be 90' x 100'. Agility will be indoors at Purina Farms on padded flooring topped with Turf cover.
- Conditional, unsigned, incomplete, telephone or telegraph entries cannot be accepted. Entries must be on Official AKC Entry forms or photocopy with agreement and rules on back.
- Express mail entries must include signature permitting them to be left at the secretary's address without recipient's signature.
- Owners are responsible for all errors on entry forms and no entry fee will be refunded in the event of such errors or cancellation of entries after the published closing date.
- Entry fees will not be refunded if the dog is absent, disqualified, excused or barred from competition by action of the trial committee. If, because of riots, civil disturbances or other acts beyond the control of the management, it is impossible to open or complete the show, no refund or entry fees will be made.
- Exhibitors are responsible for the behavior of their dogs and/or children. Any exhibitor whose dogs and/or children create unnecessary disturbances or repeatedly engage in unsafe or disruptive behavior, may, at the discretion of the trial committee, be asked to leave the show site. In such cases, no refund of any fees will be made.
- All dogs present must be held on leash or confined to their crate at all times except when in the ring or when in the designated agility warm-up area. The site will be monitored and offenders will be asked to leave. In such cases, no refunds will be made.
- We ask for the cooperation of exhibitors in helping to keep the location as clean as possible in order for us to retain the use of the facility in the future.
- A return check fee of \$25.00 will be added for each check returned. Subsequent returned checks from the same exhibitor may result in entries only being accepted on a C.O.D. basis.
- No refund for duplication of entries.
- Exhibitors must be governed by any rules or regulations of civil authority, building and parking restrictions. Vehicles parked contrary to regulation will be subject to towing at owner's expense.
- Dogs under six months of age are prohibited at AKC events.
- Exhibitors should follow their veterinarian's recommendations to assure their dogs are free of internal and external parasites, any communicable diseases and have appropriate vaccinations.

COME HELP SET UP FOR AGILITY

There will be crating on Thursday, April 13, **AFTER** the completion of the Greater St. Louis Shetland Sheepdog Club Trials.

Dogs Eligible to Enter

This trial is open to **Shetland Sheepdogs only** over the age of 15 months that are registered with the American Kennel Club or that have AKC ILP/ PAL numbers. Bitches in season may not compete. Handlers in each class may walk the course without a dog prior to the start of the class. A warm-up area, consisting of a regulation agility jump will be provided. Dogs may be moved up to a higher class at the request of the owner, provided that the request is made in writing to the Trial Secretary no later than **Monday, March 27, 2023 before 5:00 pm CST**.

Height Divisions

Owners are responsible for entering the proper height divisions. Handlers may opt to run at a higher division. Dogs that run in a height division lower than their proper height division will be eliminated.

Regular (Jump Height)	Preferred (Jump Height)	(Measured Height)
8"	4"	For dogs 11 inches and under at the withers
12"	8"	For dogs 14 inches and under at the withers
16"	12"	For dogs 18 inches and under at the withers
20"	16"	For dogs 22 inches and under at the withers
24"	20"	For dogs over 22 inches at the withers

IMPORTANT NOTE

When filling out the entry form, there is a new section at the top of the form for exhibitors to designate whether your dog has a valid jump height card or if your dog needs to be measured. Please check the appropriate box so that the Trial Secretary knows whether to include your dog on the "Dogs to Be Measured List." It is no longer required that you submit a copy of your dog's jump height with your entry form or show it during day of show check in if you marked the box that you have a height card!

We will return to measuring all dogs that do not have a height card as of **August 1, 2022**. The judge of record will need to measure all dogs that do not have cards prior to the first run for the dog that day per Chapter 2, Section 5, Paragraph 5.

Both of our judges are VMO's so we will be measuring prior to start of classes!

AKC Code of Sportsmanship

PREFACE: The sport of purebred dog competitive events dates prior to 1884, the year of AKC's birth. Shared values of those involved in the sport include principles of sportsmanship. They are practiced in all sectors of our sport: conformation, performance and companion. Many believe that these principles of sportsmanship are the prime reason why our sport has thrived for over one hundred years. With the belief that it is useful to periodically articulate the fundamentals of our sport, this code is presented.

- Sportsmen respect the history, traditions and integrity of the sport of purebred dogs.
- Sportsmen commit themselves to values of fair play, honesty, courtesy, and vigorous competition, as well as winning and losing with grace.
- Sportsmen refuse to compromise their commitment and obligation to the sport of purebred dogs by injecting personal advantage or consideration into their decisions or behavior.
- The sportsman judge judges only on the merits of the dogs and considers no other factors.
- The sportsman judge or exhibitor accepts constructive criticism.
- The sportsman exhibitor declines to enter or exhibit under a judge where it might reasonably appear that the judge's placements could be based on something other than the merits of the dogs.
- The sportsman exhibitor refuses to compromise the impartiality of a judge.
- The sportsman respects the AKC bylaws, rules, regulations and policies governing the sport of purebred dogs.
- Sportsmen find that vigorous competition and civility are not inconsistent and are able to appreciate the merit of their competition and the effort of competitors.
- Sportsmen welcome, encourage and support newcomers to the sport.
- Sportsmen will deal fairly with all those who trade with them.
- Sportsmen are willing to share honest and open appraisals of both the strengths and weaknesses of their breeding stock.
- Sportsmen spurn any opportunity to take personal advantage of positions offered or bestowed upon them.
- Sportsmen always consider as paramount the welfare of their dog.
- Sportsmen refuse to embarrass the sport, the American Kennel Club, or themselves while taking part in the sport.
