Comments/work requested

Gas stabilizer, filters, oil and fluids are additional. **HOLDING TANKS MUST BE EMPTY. WATER MUST BE ON AT THE LOCATION TO WINTERIZE THE BOAT.** To avoid ethanol related problems during winter storage, we recommend gas tanks be 3/4 full.

Our labor rate is \$165 per hour. There is a minimum charge of 1 hour for service. Additional time may be applied for inaccessibility or special circumstances. We kindly ask all payments made upon completion of work
