Transcripts

Transcripts are an important component of the decision process. They help us determine if you have sufficient scholastic competence to succeed in coursework at the level for which you are applying. Official transcripts must be received by the appropriate deadline.

Your official transcript(s) must show all prior and current high school coursework and any post high school coursework. Report cards, grade reports, and other student records are not considered official transcripts. If the current academic year has not ended you have not yet completed your program. Please submit your transcript as is by the deadline; a final transcript will be required later, if you are admitted and choose to enroll.

How to Submit Transcripts:

- **Contact your school and request an electronic record** of your academic progress, including grades earned, sent directly to amandahaddock@theconservatory.org by a secure service (such as Naviance, eSCRIP-SAFE, or other system). Scanned, emailed, or uploaded copies are NOT considered official.
- **Contact your school and request a paper record** of your academic progress, including grades earned, sent in a sealed envelope directly from the issuing institution to:
The National Conservatory of Dramatic Arts
Office of Admissions
1556 Wisconsin Avenue, NW
