A Welcome Letter from Spyrja Academy

Dear Valkyries,

The journey that you and your child are about to embark upon will be one that is filled with adventure, stories, ups and downs, and deep moments. Thank you for choosing to spend that time with Spyrja Academy.

Spyrja Academy began in 2023 as an element of a vision. School should be a place where learning is spontaneous, uncharted, relevant, and children should enjoy their time there. Schools should be small so that each child can be seen, heard, and understood. The school has a duty to the community, and perhaps it was time “the school” shouldn’t be “the school” anymore.

Spyrja Academy is a place where not just the child but also the family is invited to take part in one of the most human of human traits: to ask; learn. We’re so excited to have you a part of our community, to see what it means to Seek Truth, Be Courageous, and Live Honorably. Here’s to this year and the many years to come!

Sincerely,

Jourdan Simmang
Campus Director

Mission Statement

Spyrja is an Old Norse word meaning to ask; learn. Spyrja is driven by the philosophy that every child learns best through a combination of didactic and hands-on approaches to education; that learning doesn't occur in a vacuum; and that true mastery occurs only when learners have a chance to connect new ideas to their existing world views. We strive to align instruction to our children's learning continua.

Hours and Attendance

Spyrja Academy is open Monday through Thursday from 8:30 AM to 4:20 PM, and Friday from 8:30 AM to 2:20 PM, consistent with the academic calendar listed on the Spyrja Academy website. Students are not permitted to remain at Spyrja Academy after 4:30 PM Monday through Thursday or 2:30 PM on Fridays. On Fridays, learners and staff may be at a community organized event. Parents are responsible for picking their children up at the event when the event is concluded. Spyrja Academy is not responsible for the care or supervision of students beyond program closing time.

The school calendar can be accessed here: [Enrollment & Tuition \(sanewbraunfels.org\)](https://www.sanewbraunfels.org) and on page 7 of the parent handbook.

Spyrja operates under a year-round school calendar with the following guaranteed holidays:

- Labor Day
- Columbus Day

It must be communicated to campus staff if you will be late or early.

- If hygiene is an issue, Spyrja Academy officials may call a meeting with families to discuss circumstances and provide as much support as possible to ensure children and families have access to facilities or hygiene products.

Standards for Student Conduct

Each student is expected to:

Misconduct

The law requires Spyrja Academy to define misconduct that may – or must – result in a range of specific disciplinary consequences including removal from a regular classroom or campus, out-of-school suspension, or expulsion from school.

This Student Code of Conduct has been adopted by the Spyrja Academy Board of Directors. It provides information to parents and students regarding standards of conduct, consequences of misconduct, and procedures for administering discipline. This Code remains in effect during all school related events and activities outside the school if and when an updated version adopted by the board becomes effective. In accordance with state law, the Code shall be posted on the school campus or shall be available for review at the office of the campus principal.

Parents shall be notified of any conduct violation that may result in a student being suspended, expelled, or taken into custody by a law enforcement officer under Chapter 37 of the Education Code. Because the Student Code of Conduct is adopted by the school’s Board of Directors, it has the force of policy; therefore, in case of conflict between the Code and the Student Handbook, the Code shall prevail.

Please note: The discipline of students with disabilities who are eligible for services under federal law (Individuals with Disabilities Education Act and Section 504 of the Rehabilitation Act of 1973) is subject to the provisions of those laws.

Spyrja Academy rules and the authority of the Academy to administer discipline apply whenever the interest of the school is involved, on or off school grounds, in conjunction with or independent of classes and school-sponsored activities. The Academy has disciplinary authority over a student:

1. During the regular school day;
2. While the student is traveling on Spyrja Academy provided transportation;
3. During lunch periods in which a student is allowed to leave campus;
4. At any school-related activity, regardless of time or location;
5. When retaliation against a school employee, board member, or volunteer occurs or is threatened, regardless of time or location;
6. When a student engages in cyberbullying, as provided by Education Code 37.0832;
7. When criminal mischief is committed on or off school property or at a school-related event;
8. For certain offenses committed within 300 feet of school property as measured from any point on the school’s real property boundary line;
9. For certain offenses committed while on school property or while attending a school sponsored or school-related activity of another district in Texas;

10. When the student commits a felony, as provided by Education Code 37.006 or 37.0081;
11. When the student is required to register as a sex offender.

Campus Behavior Coordinator

As required by law, a person at each campus must be designated to serve as the campus behavior coordinator. The designated person may be the principal of the campus or any other campus administrator selected by the principal. The campus behavior coordinator is primarily responsible for maintaining student discipline. Spyrja Academy shall post on its website and in the Student Handbook, for each campus, the email address and telephone number of the person serving as campus behavior coordinator. Contact information may be found on the Spyrja Academy website.

Searches

Spyrja Academy officials may conduct searches of students, their belongings, and their vehicles in accordance with state and federal law and school policy. Searches of students shall be conducted in a reasonable and nondiscriminatory manner.

Spyrja Academy has the right to search a vehicle driven to school by a student and parked on school property whenever there is reasonable suspicion to believe it contains articles or materials prohibited by Spyrja Academy. Desks, lockers, school-provided technology, and similar items are the property of the Academy and are provided for student use as a matter of convenience. Spyrja Academy property is subject to search or inspection at any time without notice.

Reporting Crimes

The principal or and other school officials as appropriate shall report crimes as required by law and shall call local law enforcement when an administrator suspects that a crime has been committed on campus.

Unauthorized Persons In accordance with Education Code 37.105, a school administrator, school resource officer (SRO), or police officer shall have the authority to refuse entry or eject a person from Spyrja Academy property if the person refuses to leave peaceably on request and:

1. The person poses a substantial risk of harm to any person; or
2. The person behaves in a manner that is inappropriate for a school setting, and the person persists in the behavior after being given a verbal warning that the behavior is inappropriate and may result in refusal of entry or ejection.

Appeals regarding refusal of entry or ejection from Spyrja Academy property may be filed in accordance with policies FNG(LOCAL) or GF(LOCAL), as appropriate. However, the timelines for the school's grievance procedures shall be adjusted as necessary to permit the person to address the board in person within 90 days, unless the complaint is resolved before a board hearing.

Conduct Violations

The categories of conduct below are prohibited at school, in vehicles owned or operated by Spyrja Academy, and at all school-related activities, but the list does not include the most severe offenses. In the subsequent sections on Out-of-School Suspension, Placement and/or Expulsion for Certain Offenses, and Expulsion, certain offenses that require or permit specific consequences are listed. Any offense, however, may be severe enough to result in Removal from the Regular Educational Setting as detailed in that section.

Students with Disabilities

The discipline of students with disabilities is subject to applicable state and federal law in addition to the Student Code of Conduct. To the extent any conflict exists, Spyrja Academy shall comply with federal law. For more information regarding discipline of students with disabilities, see policy FOF(LEGAL).

Spyrja Academy does not have a special education coordinator and is thus not authorized to conduct ARDs or special education committee hearings. A child who is enrolled in Spyrja Academy with an IEP, so long as Spyrja Academy can provide the least restrictive environment, will have the IEP and accommodations honored.

In accordance with the Education Code, a student who receives special education services may not be disciplined for conduct meeting the definition of bullying, cyberbullying, harassment, or making hit lists (see glossary) until a parent meeting has been held to review the conduct. - Depriving the student of one or more of the student's senses, unless the technique does not cause the student discomfort or complies with the student's IEP or behavior intervention plan (BIP).

Suspension and Expulsion

Spyrja Academy reserves the right to suspend or terminate any student from its program, in its sole discretion. Behavior that may lead to a suspension or expulsion are listed in the previous pages under the Student Code of Conduct.

Any incidents will be immediately investigated by Spyrja Academy. Any consequences of the results of these investigations will be determined by Spyrja Academy in its sole discretion. Should a student be involuntarily discharged or expelled from the program, the family forfeits all payments for tuition.

Out-of-School Suspension

Misconduct

Students may be suspended for any behavior listed in the Code as a general conduct violation, DAEP offense, or expellable offense.

Process

State law allows a student to be suspended for no more than five school days per behavior violation, with no limit on the number of times a student may be suspended in a semester or school year. Before being suspended a student shall have an informal conference with the campus behavior coordinator or appropriate administrator, who shall advise the student of the alleged misconduct. The student shall have the opportunity to respond to the allegation before the administrator makes a decision. The campus behavior coordinator shall determine the number of days of a student's suspension, not to exceed five school days. In deciding whether to order out-of-school suspension, the campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

A student must be expelled under federal or state law for any of the following offenses that occur on school property or while attending a school-sponsored or school-related activity on or off school property:

Under Federal Law

- Bringing to school or possessing at school, including any setting that is under Spyrja Academy's control or supervision for the purpose of a school activity, a firearm, as defined by federal law. Under Age Ten

When a student under the age of ten engages in behavior that is expellable behavior, the student shall not be expelled, but shall be placed in a DAEP. A student under age six shall not be placed in a DAEP unless the student commits a federal firearm offense.

Process

If a student is believed to have committed an expellable offense, the campus behavior coordinator or other appropriate administrator shall schedule a hearing within a reasonable time. The student's parent shall be invited in writing to attend the hearing. Until a hearing can be held, the campus behavior coordinator or other administrator may place the student in:

- Another appropriate room on campus.
- In-school suspension.
- Out-of-school suspension.

Hearing

A student facing expulsion shall be given a hearing with appropriate due process. The student is entitled to:

1. Representation by the student's parent or another adult who can provide guidance to the student and who is not an employee of Spyrja Academy,
2. An opportunity to testify and to present evidence and witnesses in the student's defense, and
3. An opportunity to question the witnesses called by the school at the hearing.

After providing notice to the student and parent of the hearing, the school may hold the hearing regardless of whether the student or the student's parent attends.

The board of trustees' delegates to the Campus Director authority to conduct hearings and expel students.

Board Review of Expulsion

After the due process hearing, the expelled student may request that the board review the expulsion decisions. The student or parent must submit a written request to the Campus Director within seven days after receipt of the written decision. The Campus Director must provide the student or parent written notice of the date, time, and place of the meeting at which the board will review the decision.

The board shall review the record of the expulsion hearing in a closed meeting unless the parent requests in writing that the matter be held in an open meeting. The board may also hear a statement from the student or parent and from the board's designee.

The board shall consider and base its decision on evidence reflected in the record and any statements made by the parties at the review. The board shall make and communicate its decision orally at the conclusion of the presentation. Consequences shall not be deferred pending the outcome of the hearing.

Expulsion Order

Before ordering the expulsion, the board or campus behavior coordinator shall take into consideration:

1. Self-defense (see glossary),
2. Intent or lack of intent at the time the student engaged in the conduct,
3. The student's disciplinary history,
4. A disability that substantially impairs the student's capacity to appreciate the wrongfulness of the student's conduct,
5. A student's status in the conservatorship of the Department of Family and Protective Services (foster care), or
6. A student's status as homeless.

If the student is expelled, the board or its designee shall deliver to the student and the student's parent a copy of the order expelling the student.

If the length of the expulsion is inconsistent with the guidelines included in the Student Code of Conduct, the expulsion order shall give notice of the inconsistency.

Length of Expulsion

The length of an expulsion shall be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, and statutory requirements.

The duration of a student's expulsion shall be determined on a case-by-case basis. The maximum period of expulsion is one calendar year, except as provided below.

An expulsion may not exceed one year unless, after review, the school determines that:

1. The student is a threat to the safety of other students or to school employees, or
2. Extended expulsion is in the best interest of the student.

State and federal law require a student to be expelled from the regular classroom for a period of at least one calendar year for bringing a firearm, as defined by federal law, to school. However, the Campus Director may modify the length of the expulsion on a case-by-case basis.

Students who commit offenses that require expulsion at the end of one school year may be expelled into the next school year to complete the term of expulsion.

Withdrawal During Process

When a student has violated the Spyrja Academy's Code in a way that requires or permits expulsion from the school and the student withdraws from the school before the expulsion hearing takes place, the school may conduct the hearing after sending written notice to the parent and student. One month's payment will be charged, then the contract for the remainder of the year will be terminated.

If the student then re-enrolls in the school during the same or subsequent school year, the school may enforce the expulsion order at that time, less any expulsion period that has been served by the student during enrollment in another school.

Additional Misconduct

If during the expulsion, the student engages in additional conduct for which expulsion is required or permitted, additional proceedings may be conducted, and the campus behavior coordinator or the board may issue an additional disciplinary order as a result of those proceedings.

Restrictions During Expulsion

Expelled students are prohibited from being on school grounds or attending school-sponsored or school-related activities during the period of expulsion.

No academic credit shall be earned for work missed during the period of expulsion.

Newly Enrolled Students

Spyrja Academy shall decide on a case-by-case basis the placement of a student who is subject to an expulsion order from another district or an open-enrollment charter school upon enrollment in Spyrja Academy.

If a student expelled in another state enrolls in Spyrja Academy, the school may continue the expulsion under the terms of the expulsion order or may allow the student to attend regular classes if:

1. The out-of-state district provides Spyrja Academy with a copy of the expulsion order, and
2. The offense resulting in the expulsion is also an expellable offense in the district in which the student is enrolling.

If a student is expelled by a district in another state for a period that exceeds one year and the district continues the expulsion or places the student in a DAEP, Spyrja Academy shall reduce the period of the expulsion or DAEP placement so that the entire period does not exceed one year, unless after a review it is determined that:

1. The student is a threat to the safety of other students or district employees, or
2. Extended placement is in the best interest of the student.

Emergency Expulsion Procedures

When an emergency expulsion is necessary to protect persons or property from imminent harm, the student shall be given verbal notice of the reason for the action. Within ten days after the date of the emergency expulsion, the student shall be given appropriate due process required for a student facing expulsion.

Transportation

Spyrja Academy does not provide transportation. Each child must be picked up by a parent or authorized person by closing time. If someone other than the parent or authorized individuals are to pick up a child, the parent must notify Spyrja Academy either that day, or prior to, and inform them of who will be picking up the child. Parents should inform anyone who is picking up their child that they will need a photo ID.

Food and Allergies

Students are expected to bring their own lunches and/or snacks. If an enrolled student has a food allergy, please notify the administrative team prior to enrollment of the full list of allergies. Please also include this information on the registration form.

While Spyrja Academy will work to eliminate any allergic triggers, please understand that this may be unavoidable at times. Please deliver any and all medications and/or Epi-pens to the Spyrja administrative team with instructions for administration and use of medication.

- The student has had a fever within the previous 24 hours. (Child may return after 24 hours of no fever without fever-reducing medication).

A student who has been excluded from Spyrja Academy may return after being evaluated by a physician, physician's assistant or nurse practitioner, and it has been determined that they are considered to pose no serious health risk to themselves or to the other students. Nevertheless, Spyrja Academy may make the final decision concerning the inclusion or exclusion of the student from Spyrja Academy.

Spyrja Academy can administer prescription medications to students with written consent from parents or guardians and instructions for administration.
