Construction site-Safety issues

SITE SAFETY

All Visitors and Contractors must report to Site Office to receive information and rules regarding this site.

-  Safety helmets must be worn
-  Safety footwear must be worn
-  High visibility jackets must be worn
-  No unauthorised persons allowed on this site

Solving the problem with AI/ML

(Detecting a person in danger zone in real time)

AI/ML in Construction Industry

- Worker counting in construction site.
- People Tracking System can enable the organization to have an overview of all personnel monitored in real time at construction sites.
