

BRANDABLE

Provide a fully Immersive experience with our full branding capabilities. Hardware, digital assets, AR filters, and physical outputs can all be branded for your event, even our LED lights can match your colors or be off!

PRINT OPTIONS

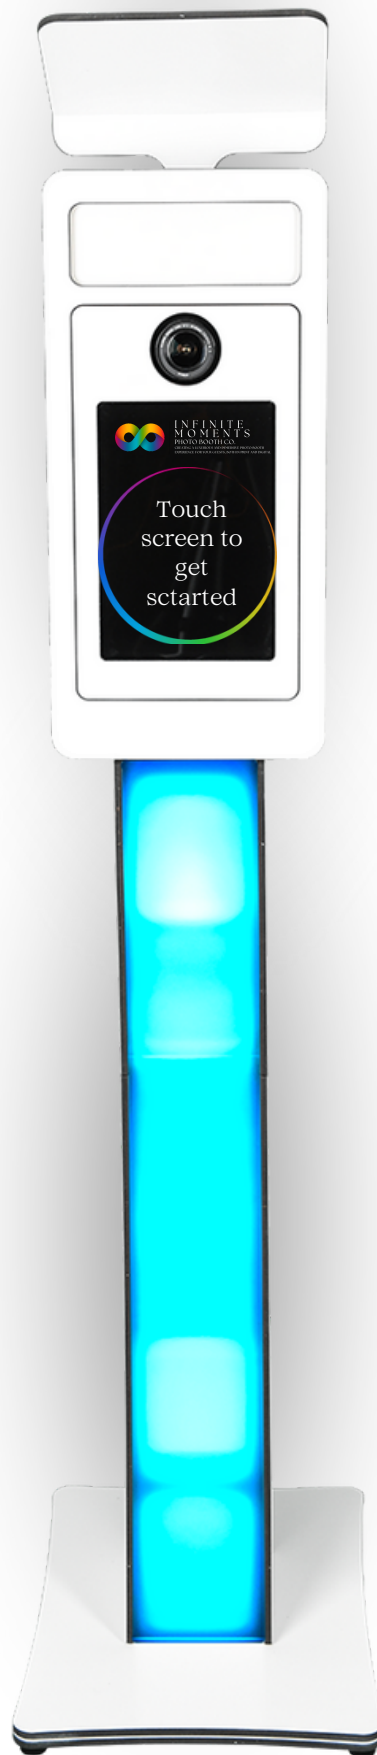

Prints can vary in size from 2x6 to 4x3 polaroid photos. We also offer a variety of sticker sizes, magnets, and more!

BOOTH ATTENDANT

Our booths come with a fully onsite booth attendant(s) to make sure your guests know what to do and are having fun!

INSTANT SHARING

Guests can share content that they create via email, text or various social channels.

FULLY CUSTOMIZE YOUR CAPTURE

We're committed to making this experience your own! Add filters like our black and white glam filter or get crazy with a custom creation. Design custom digital and print templates, and let us know exactly what types of props would get your guests excited!

HIGH RESOLUTION CAPTURE

We use a high resolution DSLR camera and professional equipment in our photo booths to ensure the best possible output for your event.

FULLY INSURED

Though we make sure to take proper measurements to ensure no one gets hurt during their experience, we are fully Insured to protect you and ourselves!

INNOVATIVE

Have an Idea you want to try for your event? Send It our way and we'll work with you to make It happen!
