MONDAYS

SYSTEMATIC THEOLOGY I

MINISTER DIANE RODRIGUEZ

MARCH 11 – JUNE 24

Systematic Theology is a study in the Christian Faith, dealing with matters that address our beliefs and what the Bible has to say about them. We will cover God and His relationship to the world that He created. The study of the nature of man and the tragic effects of sin and evil will be addressed. We will study the person and work of Jesus Christ along with His incarnation, atonement and exaltation. The way of salvation, with regards to our calling, regeneration, justification, sanctification and perseverance, will all be discussed and we'll end with the Holy Spirit and His coming.

SATURDAYS

SURVEY OLD TESTAMENT & NEW TESTAMENT LEADERS

PASTOR MICHAEL RIVERA

MARCH 9 – JUNE 29

In this course we will review several leadership styles, including modern vs. biblical leadership. We'll look at church history leaders in both the Old and New Testaments and exam contemporary leadership and how we arrived where we are today. We are all leading in some capacity, but if you know that you are called to ministry or a position of leadership, you should take this course.

SEMINARS

WAITING ON GOD

PASTOR LILIAN GUTIERREZ

APRIL 18 AND 25

We are part of the "microwave generation" but our God is never in a rush! We will discuss the importance of waiting on God, despite the fast-paced nature of the current generation. We will study numerous references in the Word to waiting on the Lord and what we can experience in that journey. The main text is Isaiah 40:31, we will analyze the unique characteristics of eagles to learn Biblical principles.

BECOMING A PERSON OF INFLUENCE *

SISTER EVETTE CORBIN

MAY 4

Becoming a person of influence is crucial for personal and professional growth and will help achieve success at home, at work, and in every other area of life. Key principles include having integrity, trust and nurturing others to reach their potential. Believing in people is also essential to becoming an influencer.

EFFECTIVE URBAN MINISTRY

PASTOR ROSA POWELL-BROWN

JUNE 6, 13 AND 20

With a call to minister in inner city settings, we must become knowledgeable of the various social and spiritual organizations that labor to make manifest the Gospel of Jesus Christ. This seminar is comprised of two parts, will require participation by way of researching these organizations, volunteering therein, the sharing of the volunteering experience, and the reading of assigned text(s).
