MONDAYS

March 2nd - June 15th

Book of Genesis

Minister Lizanne Espina

Students will explore the stories of Genesis to gain a deeper understanding of the character of God, the relationship between God and his creation and his steadfast plan of salvation.

THURSDAYS

March 5th - June 11th

Survey of the Bible

Pastor Rosa Powell-Brown

This class will be a basis for surveying the sixty-six books of the Bible and how Christ is viewed in each. The course will also cover historical information on how the Bible was compiled, as well as major doctrines of Christianity.

JUNE

6, 13, 20 & 27

Discipleship Mentoring

Pastor Michael Rivera

This course is focused on exploring the concept of Discipleship and Mentoring. Student's will look at interpersonal relationships and character formation, with an emphasis on applying these principles to the practice of discipleship and the mentoring of oneself and others. We will also explore the History/Origin of Mentoring. We also explore the "Pros & Cons of Discipleship/Mentoring.
