HOW IT WORKS

HOT DRINK

1. Add a tablespoon of your preferred tea or coffee (18 grams).
2. Pour hot water to the upper waterline.
3. Insert the Smart Brewer partway and let it steep 3 to 5 minutes.
4. Push down the Smart Brewer to complete steeping, and you're ready to go!

ICED DRINK

1. Add tea or coffee (18 grams) and pour hot water to the lower waterline.
2. Let it steep 3 to 5 minutes, then insert the Smart Brewer all the way.
3. Lock the Smart Brewer, add your preferred sweetener and top with ice. Give it a little shake, and it's ready to drink!

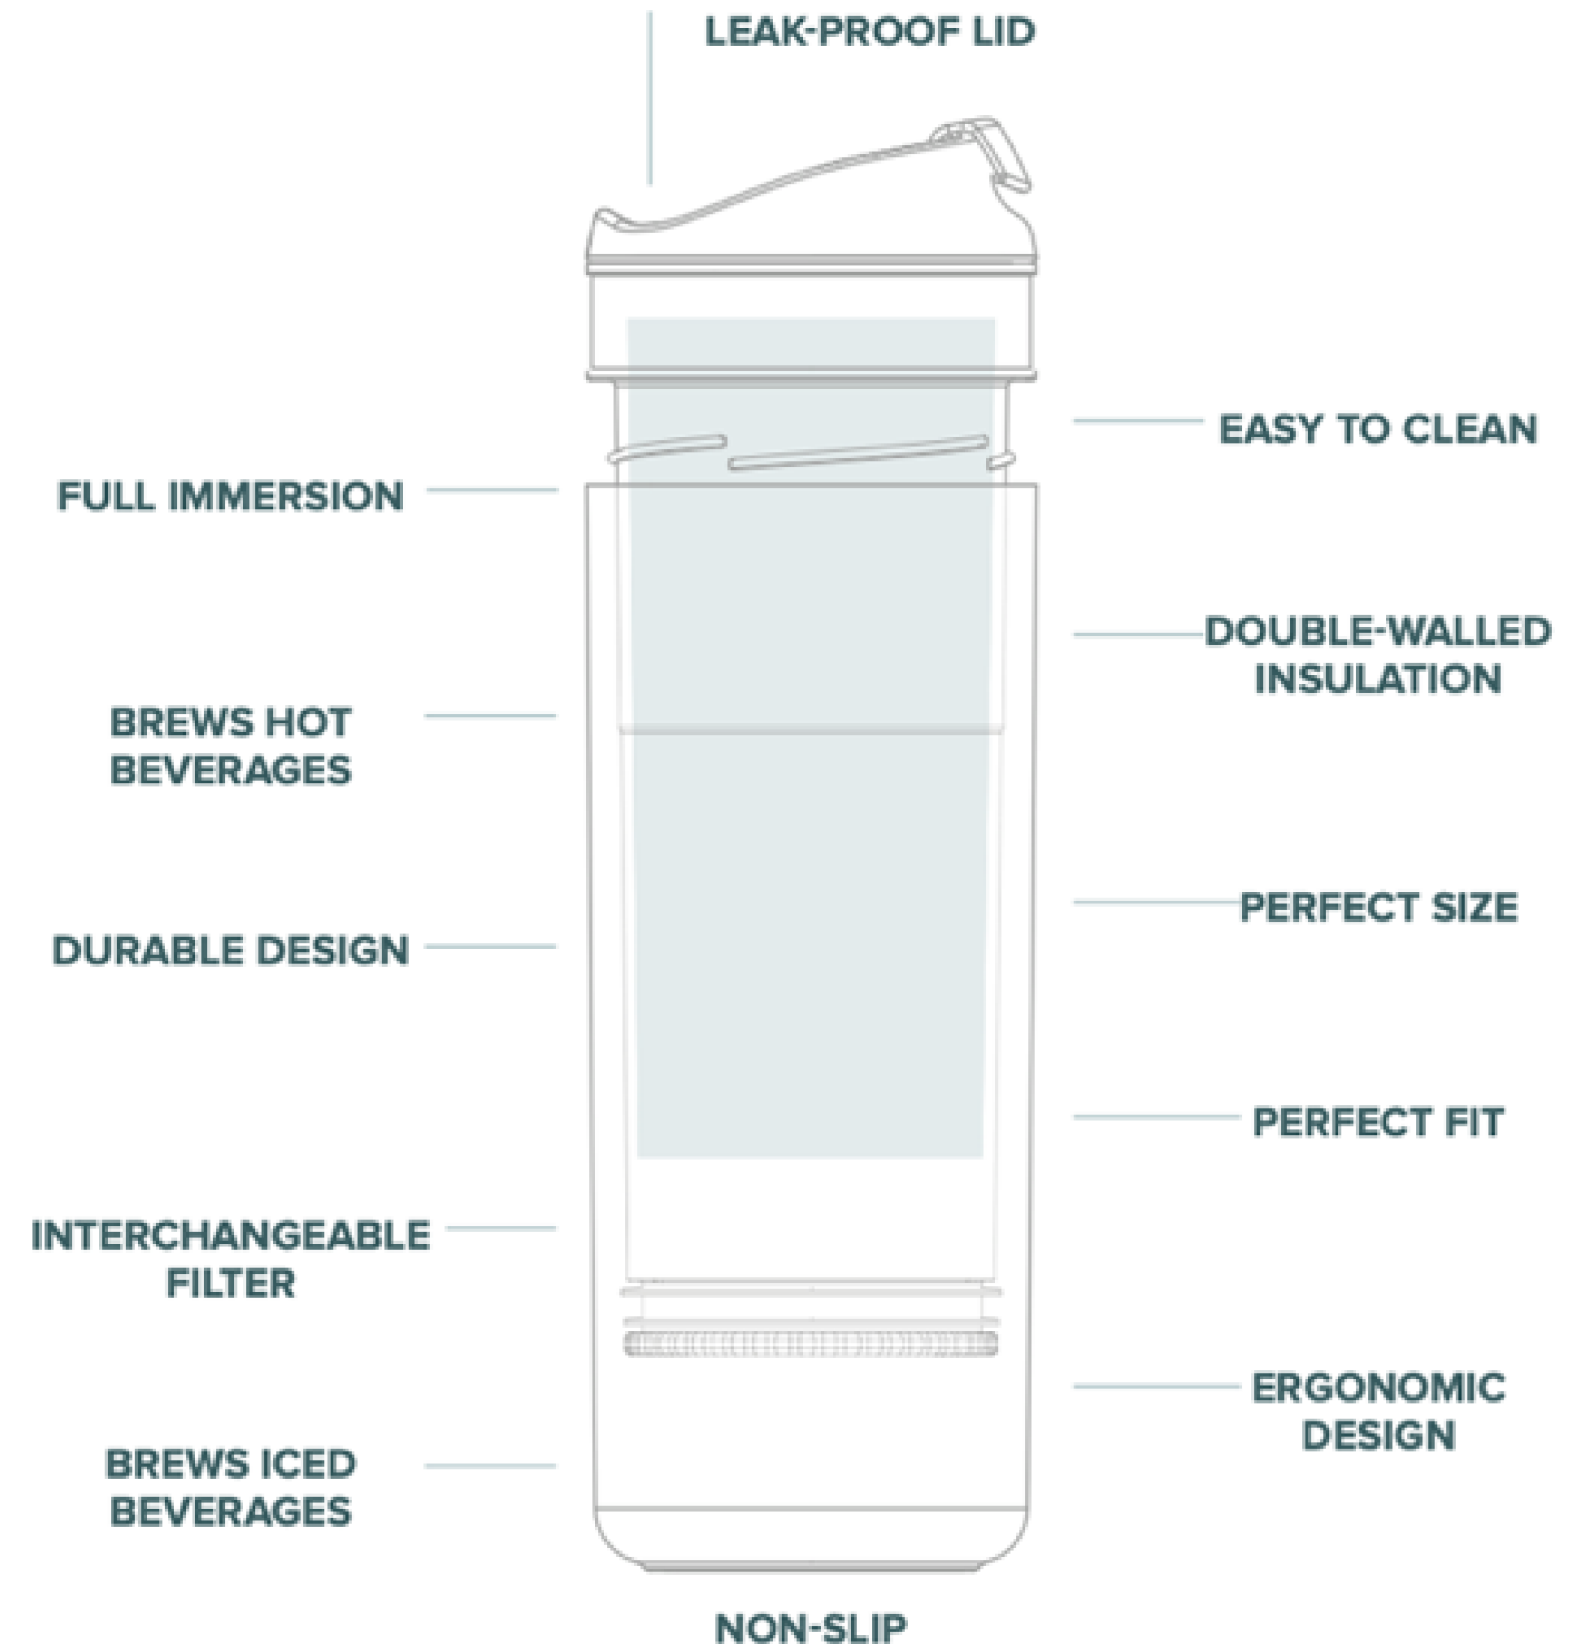

The **Most Versatile** To Go Tumbler Available Today

- You can use the **built-in Smart Brewer** system to steep your favourite breakfast tea in the morning or make iced coffee on a hot afternoon. Or maybe you enjoy serving up delicious **iced cold Southern sweet tea** for two, just like your grandma made, in **under 4 minutes**? Whatever your choice, your beverage will **last all day**.

Recharge Features

- Recharge is the **Swiss Army knife for Beverage**. It's a tumbler, teapot, tea infuser, iced tea maker, coffee press, thermos, and water bottle. This one does it all. It's everything you need for tea and coffee at a **fraction of the cost**.
- On a budget? Recharge is an economic choice for a premium **loose leaf tea experience**.
- Minimal living space? Recharge can help you **declutter your cupboard**.
- Unlike other tea infusers, Recharge has a **large capacity**. It makes over 16 ounces (460ml) of delicious drink, keeping you satisfied and hydrated all day. And when you remove the infuser basket, Recharge holds 18 ounces (520ml) of liquid - enough to get your Grande fix.

WHY RECHARGE IS DIFFERENT

- LEAK PROFF - The double-sealing mechanism in our no-leak lid passes the Shirshasana test. Guaranteed.
- COMPELTE CONTROL - Say good-bye to bitter tea. Our one-of-a-kind brew stop innovation, the Smart Brew, allows you 100% control over the steeping time to achieve optimum flavour.
- FULL IMMERSION - Get the most from your luxury loose leaf tea. Water flows across all the leaves to achieve the most robust tea experience available today.
- PURE COMFORT - The ergonomic design from top to bottom will feel like an extension of your body.
- TEA AND COFFEE - Build-in smart brewer works for all beverage, hot and iced.
- EASY TO CLEAN - No muss, no fuss. Completely and easily disassembles for quick cleaning.
- PERFECT FIRT - Take it everywhere, designed to fit cup holders.
- DOUBLES AS A TRAVEL MUG - Simply remove the Smart Brew basket and take your Recharge with you as a daily to-go travel mug.
