

## **KSC 2022/2023 SPONSORSHIP PROGRAM**

Thank you for taking the time to review the Kelowna Snowmobile Club's sponsorship program. The KSC is a massive staple in the Okanagan communities and has been for many years. It's not just about snowmobiling in several amazing areas located 20 Minutes south of Kelowna just off Highway 33 or the slopes to the Northwest of Big White, we also offer an extensive riding area in the Hills above East Kelowna. It's about bringing friends and family together and meeting some new people throughout the journey. We ask for your support to help us through the season with costs the club incurs with grooming and groomer maintenance/repairs, trail and cabin maintenance/repairs, administration costs and many miscellaneous items. In return, the club can provide sponsors with great exposure from our riding area parking lots, cabins, and collections booths along with our digital reach which includes the website, Facebook group & page as well as Instagram.

The KSC needs your support, and we can't thank you enough for taking the time to review our sponsorship packages. We look forward to our future partnership.
