

# Why should I join a snowmobile club

## Membership Benefits

By joining your local Snowmobile Club, you are choosing to support snowmobiling in BC and ensure that we have areas to ride for future generations. So while many people join the club for a groomed trail there is more to snowmobile clubs than just that. The volunteers in clubs negotiate with the government to manage these areas and work hard to meet the ongoing requirements of these agreements. There are many well-funded groups getting organized and advocating to have us removed from the backcountry. We need to stay organized, have strong membership numbers, and support the volunteers that keep this all going so that the people that just want to ride can.

Your Club membership includes a membership in the BCSF which gives you the following benefits with our corporate partners:

1. 25% off your insurance with Capri Insurance (likely pays for your membership)
