# Theme Song: Hall Of Fame Artist: The Script

Yeah, you could be the greatest. You can be the best.  
You can be the King Kong banging on your chest.

You could beat the world. You could beat the war.  
You could talk to God, go banging on his door.

You can throw your hands up. You can beat the clock.  
You can move a mountain. You can break rocks.  
You can be a master. Don't wait for luck.  
Dedicate yourself and you can find yourself.

Standing in the Hall of Fame. And the world's gonna know your name.  
'Cause you burn with the brightest flame. And the world's gonna know your name.  
And you'll be on the walls of the Hall of Fame.

You could go the distance. You could run the mile.  
You could walk straight through hell with a smile.

You could be the hero. You could get the gold.  
Breaking all the records that thought, never could be broke.  
Do it for your people. Do it for your pride.  
How you ever gonna know if you never even try?

Do it for your country. Do it for you name.  
'Cause there's gonna be a day.

When you're, standing in the Hall of Fame. And the world's gonna know your name.  
'Cause you burn with the brightest flame. And the world's gonna know your name.  
And you'll be on the walls of the Hall of Fame.  
Be a champion, be a champion,  
Be a champion, be a champion.  
On the walls of the Hall of Fame.

Be students, be teachers, Be politicians, be preachers.  
Be believers, be leaders, Be astronauts Be champions,  
Be truth seekers.

Be students, be teachers, Be politicians, be preachers.  
Be believers, be leaders,  
Be astronauts, be champions,

Standing in the Hall of Fame.  
And the world's gonna know your name.  
'Cause you burn with the brightest flame.  
And the world's gonna know your name.  
And you'll be on the walls of the Hall of Fame.

You could be the greatest, you can be the best. *(You can be a champion)*  
You can be the King Kong banging on your chest.  
You could beat the world *(You can be a champion)*.

## ***Redlands High School Athletic Hall of Fame—A Note From The Committee***

*The Redlands High School Athletic Hall of Fame Committee is proud to announce the honoring of many former athletes at this 17th Annual Hall of Fame Dinner and Induction Ceremony.*

*"Recognition of athletes, coaches, and others who have made significant contributions to the quality and success of athletic programs at Redlands High School....who have gone on to even greater collegiate and professional careers" is part of the mission statement of the RHS Athletic Hall of Fame. The tradition of the Hall of Fame is now part of many traditions Redlands High School has in it's 128 year history. The Redlands High School Hall of Fame Committee was established in 2010 to perpetuate the Hall of Fame Room and Honorees. We are very happy to welcome Redlands High School Alumni!*

Nominations for the Hall of Fame were solicited from the community at large. Candidates are required to meet specific criteria, and selected members of the RHS Athletic HOF, community, and former inductees participate in the final selection process. Nominees not selected will continue to be considered for future induction.

We encourage your participation, as well as your financial support towards continuing the traditions of the RHS Athletic HOF program. You can visit our website at **[www.rhsathletichalloffame.org](http://www.rhsathletichalloffame.org)** to learn more about us and to complete a nominal application for any potential HOF inductees.

You can also email us at:

Thank you for your support!

Sincerely,

## ***Redlands High School Athletic Hall of Fame—A Note From The Principal***

**W**elcome to the 2019 Hall of Fame Dinner! Redlands High School deeply appreciates your support and attendance.

RHS has a 128-year long tradition of excellence in athletics, and this night is a wonderful celebration of athletes, coaches and alumni that have been part of the Long Blue Line. We are just thrilled that this event is taking place on our own Terrier soil!

RHS enjoys a rich history of competitive athletics. If you scan the inaugural yearbook, you will find pictures of proud athletes, both male and female. One of the things that sets the Redlands High School Athletic program apart from other programs is the focus on character, ethics, hard work, and the concept of “team above self”. We believe that this is one of the reasons that our teams and our athletes have achieved such great success through RHS and beyond, for a dozen decades. Throughout our history, we have fought for many titles, developed many great athletes, and been honored to support countless dedicated coaches. There have also been thousands and thousands of Terrier athletes that have participated simply for the joy of sport, for being part of a team and for being part of the RHS **Long Blue Line**. In addition, RHS is proud to be one of the founding members of the Citrus Belt League, and the only school that has stayed in the league throughout its history.

The 2018-2019 school year was another great one for RHS Athletics. The Terriers captured seven CBL titles including Girls’ Tennis (15<sup>th</sup> consecutive year), Boys’ Soccer (back-to-back champions), Badminton, Boys’ Swimming (back-to-back champions), Boys’ Tennis (for the 8<sup>th</sup> consecutive year), Boys’ Volleyball and Softball. Last year, two Terrier athletes were selected as winners of the Ken Hubbs award, Kendall Bolock and Omar Yehya. Last year, **twenty-three of our twenty- four teams received the CIF Scholar Athlete Award which is given to varsity teams with an average GPA of 3.0 or above.** We would not have these opportunities for our students if not for our coaches. I am thankful for each of our coaches, and am honored to work with them every day.

At tonight’s Hall of Fame celebration, we honor five athletes and teams who we are proud to call Redlands Terriers. Congratulations to Joe Hale, class of 2008; Narissa Marie Garcia, class of 2012; Erik Dahnke, class of 1984; the 1963-64 Boys Track Relay Team; and both the 2014 and 2015 Girls CIF Division II Championship Track Teams! My deepest appreciation goes to the members of the Hall of Fame Committee for making this event happen. It is an uplifting and enjoyable evening each year.

Hale, Gornay and Wang in competition against top Americans for berths in FINA World Championships

America's finest swimmers — including the best of the Redlands Swim Team — are in Indianapolis for the U.S. Nationals and World Championships Trials.

The event serves as the USA National Team Selection for the 2009 FINA World Championships. Scheduled for July 30-Aug. 4 in Barcelona, Spain.

RST standout Joey Hale competes on Saturday and both Kyle Gornay and Sonia Wang competed on Thursday.

Wang also turned in a personal best with a 4:51.30 in the 400 individual medley. She sliced nearly three seconds off her previous best. It was good enough for fourth place in the Junior Division final.

Wang returns to the pool on Saturday for the 200 freestyle. She is racing against swimmers that

win at the Olympics. It's a different game."

Gornay, already one of the best high school swimmers in the nation, competed twice on Thursday. The Redlands High School sophomore turned in his fastest time in the 100 butterfly with a 54.16; his previous best was a 54.44.

"We've been working tremendously on underwater work," Gornay said. "It has become very important and we have put a lot of emphasis on it. Coming off the wall he looked much stronger. It's a good step."

Gornay will compete in the 100 backstroke today.

This isn't the first taste of the big time for the Redlands Swim Team. Last year RST swimmers traveled to Omaha, Nebraska, for the U.S. Olympic Trials.

"It started last year and it was a big thing last year," Gornay said. "And we started going to the Grand Prix series. The swimmers have been attending these kind of events on a good number of occasions."

The RST swimmers are excited about their chances of a team selection. They are at this week's event for the experience and the chance to improve their times.

"They have been swimming very well," Gornay said. "We did not put too much on this need in the sense of that we are trying to make the team. We are using this meet to fine tune, improving for the Junior and the U.S. Open in August."
