

Enjoy a FREE-FI with the purchase of your new home.

OUR NEW FREE-FI OPTION WILL GIVE YOU SOMETHING TO SING ABOUT.

We understand that today's interest rates may be challenging for home buyers. That's why Perry Homes and Parkstone Mortgage have created FREE-FI.

What's a FREE-FI? Simply put, FREE-FI is a refinance option for new home buyers 6-24 months after the purchase of their new Perry home with no lender fees.

Home buyers that think interest rates may improve in the coming months, but don't want to miss out on

purchasing a home at today's prices, will benefit from our FREE-FI option.

With FREE-FI, home buyers can refinance their new home between 6 and 24 months from their home's purchase, and not have to pay any lender fees associated with the refinance. Zero.

Talk to your loan originator today and get the FREE-FI assurance you need to move forward with your new Perry Homes purchase.
