Wholesale Registration Checklist

Use this checklist to organize your business credentials before applying for tax-free wholesale pricing at commercial nurseries. Companies that qualify for tax exempt are the following

- Commercial Landscape Contractors & Architects • Retail Nurseries & Garden Centers
- Tree Farm • Professional Tree Service & Arborist Companies

Requirement	Description / Purpose	Status
Texas Ag/Timber Exemption	Allows tax-free purchases of young trees, saplings, and farming supplies used explicitly for cultivation.	☐ Needed ☐ Obtained
Texas Sales Tax / Resale Permit	Required if purchasing fully mature inventory for immediate resale to end-consumers without growing them further.	☐ Needed ☐ Obtained
TDA Nursery/Floral License	Issued by the Texas Department of Agriculture; proves you are a legally recognized grower or plant dealer.	☐ Needed ☐ Obtained
Federal EIN	Your Employer Identification Number issued by the IRS to identify your business entity.	☐ Needed ☐ Obtained
Commercial Proof	Business cards, website, or farm photos. Used by nurseries to verify you are not a retail consumer.	☐ Needed ☐ Obtained

Valid proof of active commercial business is required. Application submission does not guarantee wholesale approval, management reserves the right to deny or revoke eligibility. Feel free to reach out with any questions.
