

# Introduction to Devotional

**This 12 day devotional was written by our Staff here at W.I.L.D. to help add value to and encourage you in your everyday walk with Jesus.**

**The goal behind this is to help to you understand, how God forms leaders before He sends them out into the mission field or to their devined assignment. The journey of a season of wilderness is important and vital for any great leader. Use this devotional as a launch pad on your journey.**
