AI Call Care will make commercially reasonable efforts to minimize such disruptions and maintain service availability. However, the Client understands and agrees that uninterrupted access to the Services is not guaranteed.

No Warranty: AI Call Care expressly disclaims all representations, guarantees, and warranties, whether express, implied, or statutory, including without limitation:

- Warranties of merchantability, fitness for a particular purpose, and non-infringement;
- Any warranties that Services will be error-free, uninterrupted, or capable of handling unexpected spikes in call volume;
- Any warranties regarding the security of information transmitted over telecommunications networks, which may be susceptible to interception, corruption, or delays.

AI Call Care shall not be responsible for transmission errors, data corruption, or loss of information carried over third-party telecommunication networks.
