EVENT COMMITTEE

Marianne Quinn, Paula Titon, Kathy Duhnoski, Eva McGuire, Christina Prescott, Lindsey Childs and members of the On Track Agility Club of Maine present at the tests.

PURPOSE The AKC Temperament Test (ATT) is a general temperament test for all breeds and mixed breed dogs that will assess the dog's reaction to a variety of stimuli. These stimuli will be in the following six categories: Social, Auditory, Visual, Tactile (touch), Proprioceptive (motion) and Unexpected Stimuli. The purpose of the ATT is to test for fear, shyness, inability to recover, and lack of cooperation. Desired traits are that the dog will be emotionally stable, inquisitive, appropriately social for its breed, biddable, and demonstrates the ability to recover from a startling situation in a reasonable amount of time. Dogs who show signs of aggression will not pass the test.

DOG ELIGIBILITY TO ENTER These trials are open to All Breeds and Canine Partner Registered Dogs. This trial is open to all dogs **TWELVE (12) months of age or older** that are registered with the American Kennel Club or that have AKC Limited Registration, Purebred Alternative Listing/Indefinite Listing Privileges (PAL/ILP), an AKC Canine Partners listing number or approved Foundation Stock Service (FSS) breeds are eligible to participate.

AKC TEMPERAMENT TEST TITLE If a dog passes the ATT on two occasions, under two different judges, the owner may apply for the AKC Temperament Test (ATT) suffix title by going online to www.akc.org/akctemptest and submitting the ATT title application along with the Evaluator Score Sheets (one from each of the two required tests) and the required title application fee. Upon verification, the ATT title will be applied to the dog's record and will appear on the dog's AKC title record. The title certificate will be mailed to the dog's primary owner of record.

COLLARS and LEADS Dogs may wear Slip Collars (on dead ring), Martingales, or Body Harnesses. Dogs may not wear prong collars, e-collars, head collars, or harnesses that restrict the dog's movement. Leads should be four-to six-foot leads of fabric or leather. No retractable leads.
