Chat messages:

- Hi Sam, this is Rachel from Hireology, I received your application and would love to connect this week if you're interested.
- Hi Rachel, that sounds great. Can we chat at Noon on Tuesday?
- Sure! I'll send a calendar invite your way. Excited for our call.

THE HIREOLOGY DIFFERENCE

- A single intuitive system for all recruiting, hiring and onboarding needs
- Industry focus on commercial truck dealers, including partnerships with Navistar & Peterbilt
- Smart automation speeds up hiring velocity without cutting corners
- In-app tools like candidate texting make the applicant experience great
- Tools to attract and hire for in-demand roles, such as diesel techs and parts and sales professionals
- Centralized control empowers managers across locations to follow a consistent hiring process

Make your hiring process work for you.
