El Salvador Government

Dear ladies and gentleman,  
To whom it may concern,

This is a recommendation letter for Noah and Nathan Gutarriez born in 2005 to be considered to get the El Salvadoran passports to also be able to represent El Salvador with the National Soccer Team.

Noah and Nathan Gutierrez are part, since 2019, of our Schulz Academy Soccer Club and train since 4 years with our Team and additionally attend our morning sessions programm 5 times a week. Both participate in high level Leagues and Tournaments in the United States with the 2005 and Adult Team. Their team is ranked number 1 in Florida and 23 in the United state ranking in their 2005 age group.

Noah is one of the best defense players in his age group in Florida. He has speed, intelligence, technique and skill to build from the back. He is good at defending and getting forward. He is very coachable and invested a lot of time and effort to be one of the best in his position.

Nathan is one of the best Goalkeeper in Florida. His speed and quick decision making combined with his hard training and commitment makes him an excellent Goalkeeper. His vision for the game helps every player on the team. His skills and talent is a big part that teams he plays in are very successful.

Both are excellent soccer players in their position and would be a great addition to the El Salvador National Team therefore they would need the El Salvador Passport.

Noah and Nathan play in our U18 and U19 Teams as well as in the UPSL (Adult League) in Florida.

As individuals they are disciplined, respectful, punctual, loyal and very committed to every team they play in.

With this letter I ask you to consider Noah and Nathan Gutierrez to be considered to get their El Salvadoran Passports and Citizenship.
