**Aerie Update** | March was a strong month for FOE 192 as we continued our mission of People Helping People through community support, fundraising, and member engagement. We were honored to donate a hot dog warmer to Bremerton High School Baseball in memory of our departed FOE member, David Ainge, supporting local youth athletics while recognizing his legacy.

Our members came together for a successful Kodi Cares Dart

Shoot, raising funds for an important cause, and hosted an Autism Awareness Craft Fair that brought the community together to raise awareness and support. These events highlight the impact of our charitable efforts and the strength of our membership.

We also hosted a fun, Easter Egg Hunt, continuing to build community connections. These efforts reflect the value of FOE membership

and how we directly support our community while continuing to grow our membership and expand our offerings.

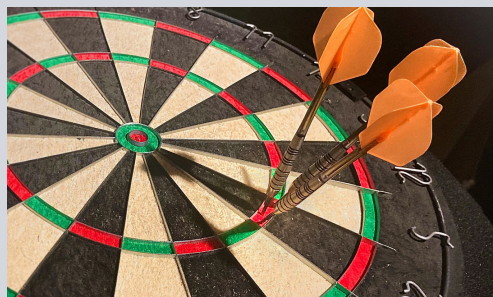

As we continue to build momentum, Aerie elections are approaching. This is an important opportunity for members to get involved and help shape the future of Bremerton FOE 192 by filling key leadership positions.
