Gasoline Floor Saw

MFS735-CE : 0630375

MFS1350-CE: 0630378

Outstanding cutting performance and excellent value.

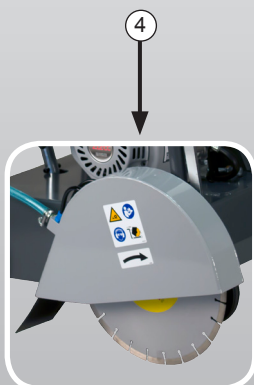

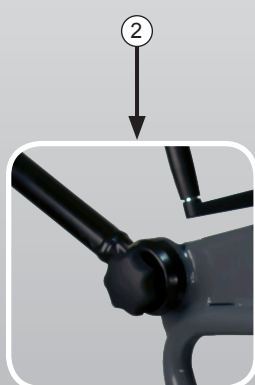

These compact and lightweight floor saws offer outstanding cutting performance, smooth operation and excellent maneuverability. These units bridge the gap between a hand-held cutoff saw and a larger walkbehind floor saw, and are ideal for small cuts in asphalt and concrete, for patching and repairs jobs and applications such as installing electric fencing, lighting, etc. Due to their compact size they will fit in every truck and won't take away much space in any warehouse.

Technical Data	Unit	MFS735	MFS1350
L xWxH (brackets in transport position, w/o guide wheel)	mm	830 x 488 x 880	890 x 575 x 1,010
Dry Weight	kg	69	94
Blade diameter max.	mm	350	500
Blade arbor	mm	25.4	25.4
Cutting depth max.	mm	120	195
Nominal speed the blade	rpm	2,500	2,200
Water tank capacity	l	20	32
Engine Model		Loncin-G210F	Loncin-G420F
Engine Type		Air-cooled, single cylinder, 4-cycle gasoline engine	
Engine displacement	cm ³	212	420
Engine rated power	kW/3600 rpm	4.4	9
Fuel type		Gasoline	Gasoline
Fuel consumption	l/h	1.7	2.3
Fuel tank capacity	l	3.6	6.5

Model Guide:

M = M series

FS = Floor saw

735 = Engine power, 7 hp
Blade size, 35 cm

1350 = Engine power, 13 hp
Blade size, 40 ~ 50 cm

Features:

1. Reliable and powerful 4-stroke gasoline engine.
2. Operating handle can be easily adjusted without tools to operator's body height, provides high user comfort.
3. Easily foldable cutting guide wheel.
4. One-touch blade guard can be easily opened any time without any tools, for quick and convenient blade changing.
5. Central lifting point.
6. Less maintenance heavy duty bearings.
7. Cyclonic 3 stage air-filtration system.
