Happy New Year!

Wow! Time does fly by! 2024 was an incredible year! We are so excited about what 2025 will bring! We are so thankful for all of you! Every one of you is very special to us! We believe the next four years are going to be hugely prosperous for our nation and we will have a window of time to reach the U.S. and the nations with the gospel! We are living in special times!

Toys for Tuscaloosa Christmas Outreach

John and I loaded up the toys that folks had donated at Freedom Church and brought them to Tuscaloosa for our annual Toys for Tuscaloosa Christmas Outreach. Clothes, toys, and necessities were given to low-income families in West End Tuscaloosa. We prayed with many families. Parents were so grateful for the toys and clothes for their families and children. Although this neighborhood is primarily African American, we also had Muslim and Indian families present. One of the most amazing testimonies was from a young lady who gave her life to the Lord. She was the daughter of one of the biggest drug dealers in the area. Jesus Saves! Praise God!

Hospital, Gallbladder Surgery, and a Miracle by the Lord

On the Saturday after the Toys for Tuscaloosa Outreach, I started having upper abdominal pain after eating and was throwing up. We got home on Sunday, and it continued. By early Monday morning the pain was intense, so we drove to the Baptist Hospital Emergency Room, and I was admitted to the hospital. The doctors determined that I had pancreatitis and low liver function resulting from a gallbladder attack. My gallbladder had to be removed with surgery scheduled for that Friday. We were grateful to God that the surgery was successful, but my liver function had decreased so the surgeon was planning on another procedure for Monday! Thank you to everyone who stormed heaven with prayer for me! I received a miracle from the Lord! By Sunday my liver function had improved, and I was

released from the hospital right after. I'm now in the recovery process. We just got results from a new blood test ordered by my primary doctor and my liver function and liver enzymes are normal. We want to thank everyone again for your prayers that helped me to get through this trying time. We give all the praise to King Jesus! Our healer!

Future Ministry in 2025

- We decided to push Mexico back into the Spring, possibly for Mexico's Children's Day celebration. Praise God! The airline gave us credit for the Laredo flight I had to miss due to my hospitalization. I have until November 2025 to use it, which is plenty of time.
- After some rest in early January, we will be starting a new Heart for the Lost Class for three consecutive Sunday Mornings. Our focus this year will be door to door evangelism in Pensacola.
- I have an opportunity to go back to Costa Rica and travel to all seven provinces! I'm praying this through on the timing.
- I just got invited to come teach a group of folks reaching out in Mardis Gras this year early March.
- Also, I will be going back to Spain eventually. More to come in Jesus Name!

Thank You

We want to thank everyone so much for your prayers and partnership all these years. The Lord has been so faithful! We believe the greatest times are ahead of us - everything new and fresh! I was asked to pray for a word for this year. I heard the Lord say be fruitful and multiply! Divine multiplication in the years ahead! What a time to be alive! We were born for such a time as this! The harvest is truly ripe! We love you all so very much!
