Soccer Balls Distributed in Mexico!

Pastor Ray sent me this picture of the soccer balls that were given to the children at Salt and Light Church in Nuevo Laredo, Mexico. The soccer balls were donated by the Book and the Ball ministry. We had enough soccer balls and toys left over from our Christmas Outreach to send out to poor children in other places in Mexico, praise, God! Jesus is still blessing these children, long after we returned to the United States.

Obeying God for Limon and Cartago, Costa Rica

We are excited to share that I'm heading back to Costa Rica from March 20th-30th. This will be a two-province mission focused on revival and evangelism. Last time Richard Davis and I were in Costa Rica, we had two pastors share dreams God had given about two men who would come to speak on getting the church ready to pray and believe for all seven provinces of Costa Rica to have a breakout of evangelism and revival! They believed that we were the evangelists fulfilling these dreams from God. The Lord has highlighted two of the regions to us for this trip (Limon and Cartago). Our team will be spending time sharing the gospel, praying for people, and showing God's love through

outreach and revival meetings. I'm raising funds to help cover for travel expenses (airfare, rented vehicle, transportation in the country, lodging expenses, and food). We would love for you to be part of this journey with us. If you feel led to give, any amount truly helps and makes a difference. I would also really appreciate your prayers. I'm grateful for each of you and excited to see what God is going to do! Thank you so much for your support, encouragement, and prayers as I step out in faith. What an opportunity to see the faithfulness of Jesus!

Heart for the Lost Class and Homeless Outreach

What an incredible day it was! We had been collecting warm weather clothes for the month of January. I had almost canceled going out because Pensacola was under an Extreme Cold Warning and Wind Advisory. The Lord convicted me with a Phil Collins song, "Another Day in Paradise,"

which is about the homelessness Phil witnessed while visiting Washington, DC. I knew that we had to move forward with the outreach.

God brought an amazing team together for the Heart for the Lost Class. Pastor Javine and Brother Richard Davis came in to speak to us and then we drove out to a homeless camp. The needs were so great. Many people were blessed with blankets, hats, socks, jackets, gloves, and cold weather items. We also distributed a flyer with the phone numbers and locations of cold weather shelters in Pensacola, and a link to *The 2025 Escambia and Santa Rosa Counties 211 Resource Guide*. This resource guide lists all the help available to homeless and low-income people in Pensacola including shelters, food pantries, healthcare, employment, dental care, housing, and more. Most importantly, the team shared the gospel and the love of Christ while ministering to the needs of these dear people out in the cold. The Lord really moved on these precious souls.

We are Excited About February and March

The Lord continues leading us to minister to the homeless in February! So, we are collecting cold weather hats, gloves, and socks, as this is the biggest need. We will be passing these items out in Pensacola and in Tallahassee. In March, we are planning a Heart for the Lost Class and Outreach in Tuscaloosa, Alabama. Also, the Two-Province Costa Rica Revival and Evangelism Mission trip will take place this March from the 20th through the 30th.

Thank You!

What a special time it is! So many huge needs out there. Thank you all so much for partnering with us to reach the brokenhearted. You are all truly a blessing! We are all truly in the harvest together! **To make a donation, checks can be written to Go and Declare Inc. and mailed to 1117 Colbert Avenue, Pensacola, FL 32507. Folks can also give by clicking on the donation button on our website, www.goanddeclare.org or at any of the app links listed below. Our Square link is specifically set up for recurring monthly donations, which is our biggest need!**
