**There are so many amazing testimonies from the Costa Rica Seven Province Mission Trip! We fit all the highlights that we could in this newsletter! More to come next month!**

## **Costa Rica Province Mission 2025 Testimonies**

Mario's family was the first family that our team visited. Mario was diagnosed with brain cancer. Doctors took 90 percent of the tumor out! We prayed for the Lord to remove the rest! After we prayed for Mario, this precious family anointed me with oil and prayed for healing for my leg! The presence of the Lord dropped on me! This family has a Catholic background, and we explained to them the plan of salvation and the whole family prayed to receive Jesus! They are a precious family!

## **Special Meeting with Natalia**

I would say this was one of the most important days I have ever experienced on the mission field! We got to pray for Natalia who is running for the next President of Costa Rica! Natalia is a Christian Conservative who loves Jesus! I broke down crying as I shared with her about our son John who is being educated in government and politics! She invited John to come back with us and celebrate with her when she wins the Presidency! The presence of God dropped on all of us as we prayed for her and her campaign manager. We are asking everyone to lift Natalia up in prayer. She and her family have been receiving many attacks aimed at stopping her from being elected! She's very special!

## **Special Pastors Conference in the City of Siquirris in the Region of Limon**

This was one of the most powerful meetings I have been in. These pastors came together in unity to pray for the Lord to change their region. One pastor came forward to share a dream she had. The Lord told her that two men would come to pray in all seven provinces for evangelism to sweep the nation of Costa Rica. Another Pastor said that she had always wanted to go to the Brownsville Revival and visit the church in Pensacola! She said the Lord answered her prayers by sending Bro. Richard Davis and me! This was one of the most amazing meetings of prayer we have ever been in! Holy Spirit took over the meeting and we got out of the way! The

pastors prayed for revival and evangelism to sweep through the nation of Costa Rica, and their young people came forward to pray for all the pastors.

## **Special Pastors Conference in the Cartago Province**

This was an amazing meeting in the Carago area. Many of these pastors heard about what happened in the Limon Province a couple of days earlier and came expecting the Lord to move in a

### **San Jose Women's Recovery Center**

I would say this was one of my favorites of the mission in Costa Rica. I couldn't share this picture on any social media due to the protection of the women, so this picture is only for our newsletter. All of them came from drug addiction and the Lord has been working in their lives to bring freedom. The Lord led me to share my story with them of how He delivered me many years ago from the same addictions. All I could do was cry when I would share with them. I prayed for them all individually and many of them gave their hearts to the Lord that day. Please pray that the Lord would finish what He started in them. He loves them very much!

### **Excited to Be Back in Pensacola**

Before I left for Costa Rica, I fell off a ladder and scraped up my leg badly. Praise God, the X-rays were negative for a fracture! Now that I'm back home I can finally rest it properly for the next two weeks. I declare my leg healed in Jesus' Name! Pensacola Family Beach Fest is on May 24<sup>th</sup>, and we will have a team praying for folks there at our prayer tent. In June, I plan to have a class on ministering and receiving the Baptism of the Holy Spirit.

### **Thank You All So Much**

Thank You everyone so much for your prayers and partnerships. We are so amazed at the faithfulness of God! You all are a huge part of what He has been doing! We are so encouraged to keep going after the lost, the least, and the last! We are in tears as we watch the Lord provide for us every month. We praise Him every step of the way! We love you all very much! God Bless You!
