

My Black Heritage Free Consultation Questionnaire

Please fill out as much of the following information that you can.

Your Name _____ Email Address _____

Do you already have a family tree? _____ If yes, how far back were you able to go? (indicate a year or an ancestor, i.e., "great grandmother on paternal side") _____

Are you looking for information about your maternal (mother's) family, paternal (father's) family, or both?

To start any research, you will need to share as much info about your living and non-living ancestors as possible, if you do not have any information to share, you may need to share other requested information upon request, at your discretion.

Provide the following information about your grandparents that you know. Estimates are fine. If your grandparents are still living, provide the info of your great-grandparents.
