## CORE COMPETENCIES

- DOT/ Non DOT Drug & Alcohol Testing
- Post Accident Drug Testing
- Random Drug Testing
- Pre-employment Drug Testing
- Reasonable Suspicion Testing
- Legal/ Court Ordered Drug & Alcohol Testing

## PAST PERFORMANCE

Acuity Mobile Lab has extensive experience providing hundreds of drug and alcohol collections for the Virginia Department of Transportation, including conducting quarterly random drug testing. We also have a solid track record with Chesterfield County, managing collections for both the school system and county employees. Additionally, Acuity is contracted with several well-known companies in the country to perform post-accident and reasonable suspicion testing for their employees. This breadth of experience demonstrates our skill and high qualifications in delivering reliable and compliant testing services.
