City of Malibu Does Not Guarantee Online Meeting Participation

Malibu CA- Technical difficulties for online or Zoom viewers and participants do so at their own risk. Thus not grounds to cancel or reschedule a City of Malibu - Government City Council meeting. I attended a recent Malibu City Council Meeting which did experience at least two technical issues for the Zoom participant's.

Despite the issue the meeting still went on. SayRabbit is the only news organization that has a complete recording...**we (P.S.S.) bring our own equipment and you can too.**

'HOW TO PARTICIPATE REMOTELY DURING THE MEETING:

Members of the public may speak during the meeting in-person or through the Zoom application. In order to participate remotely, you must be present in the Zoom Webinar during the item that you would like to speak on and use the Raise Hand feature to request to speak when the Mayor calls the item.

When you join the Zoom Webinar you may see a pop-up asking you to enter an email address, but a valid email address is not required.

Be advised that those participating via Zoom do so at their own risk; remote participants should not expect the meeting to be cancelled or continued due the inability of some members of the public to access the remote meeting.'

California's Brown Act allows **'The Public'** to bring their own recording. Whether it be audio, video or live television equipment.
