

A surrealist painting of a bedroom. In the foreground, a bed with a dark metal frame and white linens is visible. Behind the bed, a window with multiple panes looks out onto a dark, indistinct landscape. To the left of the window, a small table holds a lamp. Large, stylized green plants with long, pointed leaves are in the foreground on both sides of the bed. The overall color palette is muted, with greens, blues, and browns. Text is overlaid on the image.

Corinne Chaix: The Artist Studio

**Oct. 17th - Nov. 17th, 2024
1350 Abbot Kinney Blvd**

Yiwei Gallery is pleased to present *The Artist Studio*, the gallery's second solo exhibition with French artist Corinne Chaix, on view from Oct 17 to Nov 17, 2024.

Inspired by science fiction novels, Chaix paints fantastical narrative landscapes that transport viewers into surreal underwater world. Her storytelling is mysterious and open-ended, inviting personal interpretation and encouraging each viewer to uncover their own meaning within the work.

Born in Paris, France, Corinne Chaix has been a part of the Venice Beach artist community in California for over twenty years. Her surreal paintings often depict human figures intertwined with marine life in strange, enigmatic scenes, exploring themes of confinement, illusion, parody, and fantasy.
