Blinds - City Gym

Nancy Shea will be the chairperson for dealing with then glare from the 6 southern windows at the City Gym by selecting appropriate window treatments. The Club will be responsible for the cost of the window treatments. City employees may or may not be utilized for the installation of the window treatments. Window treatments must be approved by the City of New Smyrna Beach and the NSB Pickleball Club Board.

Player Rating

The Board is investigating the possibility of developing an activity where each member **participating** will receive a pickleball rating from a QUALIFIED pickleball individual during pickleball play. Depending on the cost to secure the QUALIFIED RATING PERSON, the participating members may be asked to pay a nominal fee for this service/activity. There will be more information to follow as we are still in the planning stages.

FACEBOOK - Day, Time, Location

It has been suggested the members utilize the NSB Pickleball Clubs Facebook page on a regular basis for pickleball players to inform other pickleball players as where there will be pickleball games being played. Please state the location, day of the week, and starting time. While in OHIO I utilized the Central Ohio Pickleball Facebook page and was able to find out about places to play in Central Ohio. I found 2 or 3 places to play each and every day and had the opportunity to play 7 days a week. Please use the Face book page and let people know where to go, what day, and what time to be there.

If you have an established location, day(s) and time to play pickleball and would like to share the information with the members, send me the information and I will email the members.

Example: Tuesdays and Thursdays, Pettis Park, [8:30 AM](#)
