

## NSB Pickleball Club: Minutes of the Board Meeting

Date: February 22, 2019

Present: Jim Brown, Brenda Stauffer, Joanne Hathaway, Richard McNabb, Nancy Shea

1. **Treasurer's Report:** The club has \$4,053.67 in its account. We are at 131 members.

2. **Pettis Park is open.** It has 2 dedicated pickleball courts, 1 tennis court with pickleball lines. It has windscreen all around and it is lighted. We have asked for a cement picnic table to be installed. The club is applying to adopt the park, which would mean that we promise to keep it cleaned up. When you play at Pettis Park, please look around before you leave and do a quick trash pickup. Phil Veski, from the city, has asked club members to attend the ribbon cutting ceremony (date to be announced). 3. **Live Oak Outdoor Courts** (next to the City Gym). After a few days of play, players reported that the courts are great but that the court area is not large enough to accommodate chairs inside the fence. Faith Miller, the maintenance director for the gyms, quickly responded to the club's request for bleachers at this site. They were installed on Thursday next to the southwest door to the courts in the shade on an existing cement pad. Please use the door by the bleachers. Also when courts are all in use, and a court further from the door empties out, please stop and shift your game(s) to the empty court, so that new players do not have to cross behind you.

4. **The City Gym** schedule of play has not been finalized yet, but the club has been asked for input. Reggie will tell us as soon as the schedule is complete. No keys will be given out. Jim Brown will contact Nancy Maddox about the possibility of installing sunscreen film on the windows. At the suggestion of club members Wendy and Don Smith, the club has purchased a set of colorful court marker lines. These will be used temporarily to mark the corners and kitchen lines. They should be set up and taken down for each use and kept with the nets and balls in the lockers. 9. **Survey.** The club is trying to get an idea of how many people we have playing pickleball across the city. Please email Nancy Shea at [nmshea@email.com](mailto:nmshea@email.com) with the following info:

How many days you play per week x how many hours per session = hours of court usage per week. Please list the courts you use. For example, 3 x 2= 6, Babe James, Detweiler, Live Oaks, Bouchelle, Sea Woods.
