Summer 2025 Vote...

Kim A. Barton
Supervisor of Elections
Alachua County

Preparation for the Gainesville Special Election (GRU Referendum)

My office is currently working with the City of Gainesville to plan for the November 4, 2025 GRU Referendum. Some tasks we are focused on include:

- Preparing and laying out the ballot in English and Spanish.
- Determining polling places and early voting locations, dates, and times for the election.
- Communicating with election workers about training in the Fall for the election.
- Sharpening best practices my office developed after the 2024 Election Cycle to deploy for the election.
- Developing mailers and advertisements for the election to ensure City of Gainesville residents are adequately informed.
- Preparing voting equipment to be deployed for the election.
