KINGDOM RESCUE

Our Rescue Mission

2026

Since its founding in 2021, Kingdom Rescue — a 501(c)(3) foster-based animal rescue — has saved over 2,000 cats and dogs from rural “backroads” and high-kill shelters across Bastrop, Caldwell, Gonzales, Guadalupe and Hays counties. However, with all this incredible work we now realize that we cannot “rescue” our way out of the animal crisis...

In just the last year, shelters statewide reported *tens of thousands of unnecessary euthanasias* — a tragic outcome driven largely by overpopulation, lack of resources for pet owners, and insufficient access to affordable spay and neuter options.

Nationally and across the decades, widespread spay/neuter programs have proven to be one of the most effective, humane tools to reduce unwanted litters, prevent overcrowding in shelters, and save countless lives.

In response, our organization is dedicated to offering no-cost and low-cost spay and neuter pop up/mobile clinics throughout the rural regions of Central Texas. Your sponsorship of our inaugural purse bingo will fund these sterilization clinics and provide necessary medical care to the animals we save.

With your help, we will continue a movement to help end animal suffering and we will make sure we have FUN doing it!
