To Whom It May Concern:

It is with much enthusiasm that I recommend NC Reentry Innovators for Success, Inc. for inclusion into provider service networks to further their mission in providing assistance for former justice involved individuals who have been incarcerated or have a criminal background.

My team and I at Cornerstone Missionary Baptist Church worked alongside NCRIFS Executive Director, Portia Bright Pittman to plan and execute the first Virtual Expungement Clinic during the pandemic. In the planning process, NCRIFS displayed a level of dedication and professionalism that lead to criminal record expungements for over 50 people.

The organizations leadership is solution oriented in creating a better quality of life for former justice involved individuals through their innovative approach to criminal justice reform. To this end, I would recommend the nonprofit NC Reentry Innovators for Success, Inc. for grants and contract opportunities to further their mission.

You may contact me at (252) 347-8689 if you need further information.

Thank you very much and have a nice day.

In His Will,

Maurice Jordan
