

## Northwest News for May 2024

*Ephesians 2:10: "For we are God's masterpiece. He has created us anew in Christ Jesus, so we can do the good things he planned for us long ago".*

### From the Pastor Search team:

In May the Pastor Search team will be meeting in person with two different candidates and their families. We have met with them via ZOOM for our initial conversations, but there is nothing like visiting in person to really get to know them. Conversations are richer and more authentic than virtual interviews. In-person visits help the team and the candidate build working relationships.

The team is very encouraged about the upcoming meetings, and we are relying on the Lord to guide us in making the right decisions about the leadership of our church. Please continue to be in prayer for the team and the candidates as the Lord guides our hearts.

## CBF General Assembly

June 19-21, 2024

Greensboro, N.C.

You're invited to join us in Greensboro, N.C. for the 2024 CBF General Assembly as we come together at the Sheraton Greensboro at Four Seasons/Koury Convention Center for learning, worship, inspiration and fellowship!

This summer at General Assembly, we will re:imagine as we live out our faith through our unique Baptist identity and are ever being transformed through the Holy Spirit. Together, we'll consider transformation through imagination – our own and that of the Holy Spirit moving through us as a community. With the idea of re:, we're exploring the idea of "regarding imagination" as well as the transforming quality of re-imagining – revising, reinvigorating, reenergizing, and renewing.

We hope to see you in North Carolina!

### Women's Mission Project

The women of NWBC (and some of the gentlemen as well) have developed a new mission project to assist our CBF field Personnel Lita and Rick Samples. Lita and Rick work among refugees from Afghanistan in the Bay Area of California. These refugees have pressing needs including appropriate clothing. The Afghan women are excellent seamstresses and would benefit from receiving sewing machines, fabric and other notions necessary to create their own clothing. The women of NWBC have set a goal of \$400 for this project. More than \$300 has already been received. If you would like to make a contribution to this project, please write Women's Mission Project on the memo line of your check.
