

Pam Raiford Memorial Fund

Pam Raiford worked in the Social studies department at Oyster River High School for 22 years, simultaneously teaching, at times, at UNH. In 2013 she won the State of NH Teacher of the Year award for history and in 2014 she was recognized by UNH for her excellent work, delivering a speech to the graduates in the Masters of Education department. Her work as a teacher, and who she was as a person, will continue to reverberate profoundly throughout the world.

Donations in Pam’s memory will fund particular ORHS programs that were close to Pam's heart. The Alumni Association will choose programs in consultation with Pam's family and ORHS staff/administration.

UPDATE: \$500 in funding was given to ORHS on March 14, 2018. \$300 for the “Power of One” program and \$200 for the Ultimate Frisbee team.
