OUR MISSION

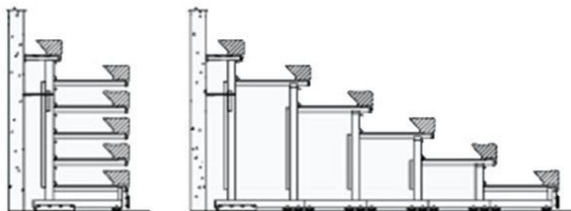

The Armory will enrich the lives of all resident and to contribute to the quality of life and vitality of the entire community.

"The arts and culture are powerful tools with which to engage communities in various levels of change. They are a means to public dialogue, contribute to the development of a community's creative learning, create healthy communities capable of action, provide a powerful tool for community mobilization and activism, and help build community capacity and leadership."
Creative City Network of Canada

VISION FOR THE FUTURE

There are still a number of capital improvements, the Armory Arts and Events Center Board intends to make. The most urgent need is the installation of telescopic seating on the main floor to increase the venue capacity. When the improvements are completed, the seating capacity will be at 600.

The new renovation will add 600 new seats to the main floor.

CAPITAL CAMPAIGN

We are currently seeking community support to fund the project. We are asking businesses or individuals for a donation starting at \$500 per a seat. With their generous community contributions, we will be able to improve the venue that will enrich our community for many years to come.

If you're interested in donating to The Armory Arts & Events Center Fundraiser, please visit parkrapidsarmory.org or call us at (218)237-3722

"Creative projects involve positive, responsible risk taking. Risk taking is a pre-requisite for growth and development.
