WHAT IS OSDM STAND DOWN 2019?

OSDM Stand Down Midsouth Inc. started in October of 2009. The actual first Veteran Stand Down Took place in 2011. This year's stand down will be our 9th annual Stand Down.

The OSDM Veteran Stand Downs are registered in 3 states: Arkansas, Mississippi, and Tennessee. We service Eastern Arkansas, Northern Mississippi, and Western Tennessee. Over 170,000 Veterans populate these combined areas.

OSDM's Veteran Stand Down 2019 is a community based one-day event in which Operation Stand Down Midsouth Inc. connects veterans with critical supportive services.

Many local organizations, including the veteran administration, come together to provide a broad range of necessities, including food, clothing, housing, medical, legal, and mental health services, job counseling and referrals.

We help around 500 Veterans annually but expect to exceed our goal and are anticipating over 3,000 Veterans this year.

Our goal is to connect as many Veterans to the resources within the community; not only to enhance the lives of our Veterans but their families as well.
